Jill Hotchkiss

Merry Christmas and Happy New Year to all our readers! This is always an insanely busy time for us at *Hereford America*.

Not only are we working on our biggest issue of the year during December but also the South Dakota Hereford directory, a number of bull sale catalogs, ads to go out to other publications and videoing cattle like crazy through our sister company The Livestock Link. We are happy to have some very talented, people "on board" with our video company as well as the newspaper. Big thanks to

We have about closed 2015 by now and we look forward to 2016 which appears to have many questions ahead of us for our country and for our cattle industry.

2015 was a very unusual year, there were some cattle prices that were the highest that I have seen in my lifetime and then in October the cattle industry changed dramatically along with the stock market and the oil, gas and coal industry. In the midst of all of this we received a new Executive Vice President of the American Hereford Association, so a new chapter is being written for our association.

Hereford Breeders Honored

The Chandler family of Chandler Herefords, Baker City, OR, were inducted into the Hereford Hall of Fame this fall. Pictured (back row, l to r) are Eric Walker, 2015 AHA president, Morrison, TN; Lacey, Maddee and Margaret Moore, Cove, OR; Janet, George and Duane Chandler, Baker City, OR; Patti and Cliff Hall, Baker City, OR; Sam Shaw, 2016 AHA president, Caldwell, ID; and Joe Van Newkirk, AHA Board member, Oshkosh, NE. Front row (l to r) are Morgan and McKenzie Hall, Baker City, OR.

Chandler Family

The Chandler family of Chandler Herefords, Baker City, OR, was inducted into the Hereford Hall of Fame Oct. 30, 2015. The family was recognized at the "Celebrate the Brand" event during the American Hereford Association (AHA) Annual Meeting in Kansas City, MO. The Hall of Fame honor annually recognizes breeders

Marlene and the late Jim Mrnak, Bowman, ND, were inducted into the Hereford Hall of Fame at the AHA's annual meeting. Pictured (l to r) are Joe Van Newkirk, AHA Board member, Oshkosh, NE; Eric Walker, 2015 AHA president, Morrison, TN; Andy Mrnak, Bowman, ND. Carla Coplan, Watertown, SD; Terry, Marlene and Wayne Mrnak, Bowman, ND; Connie Hurlbut, Sturgis, SD; Robyn Mrnak, Bowman, ND. Loren Mrnak, Whitmore CA; and Sam Shaw, 2016 AHA president.

Mrnak Family

Marlene and the late Jim Mrnak, Bowman, ND, were inducted into the Hereford Hall of Fame Friday, Oct. 30, 2015. Marlene was recognized at the Hereford Honoree Reception during the American Hereford Association (AHA) Annual Meeting in Kansas City, Mo. The Hall of Fame honor annually recognizes breeders who've dynamically influenced the direction and advancement of the Hereford breed.

Jim, who passed away in 2010, dedicated his whole life to the Hereford breed. He and Marlene were married for 57 years and

Elkington Polled Herefords And South Devons

Presents the

2016 Efficiency Experts Range Raised Cattle Sale

Friday, February 5, 2016 12:30 p.m.

At the ranch 7 miles east of Idaho Falls On Sunnyside Rd.

Elkington Polled Herefords is the source for polled outcross genetics

Unique pedigrees throughout the entire offering

84 Bulls, Sound easy keeping range raised

66 Polled Herefords • 18 South Devons (10 black, 8 red)

25 Bred Polled Hereford Heifers • 3 South Devon Bred Heifers

Our severe environment culls inefficient, poor-fleshing cattle. Forty years of selection has greatly increased the efficiency and fleshing ability of our cattle. Line bred Elkington Bulls will produce high performing calves and easy fleshing high producing cows that will work anywhere on less feed than most cows are accustomed to. Our bulls live in harsh conditions and are developed on a high roughage ration at high altitude between 6000 and 7000 feet.

Western America has an Angus based cow herd. Elkington bulls will give you added growth with greater life span over a straight Angus cow. Our customers are reporting 35 lbs. to 80 lbs. added at weaning over their straight Angus calves. Black Baldy calves have always been the preferred cattle in the industry. Elkington bulls will produce these sought-after calves.

University of Wyoming's New President Has Strong Hereford Ties

LARAMIE - After seven months of nationwide searches, public input and campus visits, Laurie (Stenberg) Nichols was selected Friday morning (Dec. 18) as the next president at the University of Wyoming.

"I think it's the right person, right time," Provost David Jones said. "I think Dr. Nichols - her experiences, her strengths - are a good fit for what the university needs."

Nichols spent the last seven years as provost at South Dakota State University. As current UW provost, Jones noted some experiences and skills she could bring to the presidential position.

"Any time you come up from a provost position, you have a good understanding of how the academic side works," he said. "You have had more hands-on experience with pretty much everything that goes on at the campus."

Nichols will be the first woman to serve as president at UW. Trustee President Dave Palmerlee called Nichols immediately after the meeting, and she accepted the offer.

"She was very excited - over the top," Palmerlee said.

In a news release, Nichols said, "I just really love the mission of land-grant universities - I have spent my whole life at them, and I am a product of them. I believe in the mission

of teaching, research, service and outreach, and I'm delighted that I will be leading a university that embraces that mission."

Trustee John MacPherson said public input was paramount to the search process.

"This morning the board listened to representatives from the staff, student faculty and student senates who reviewed, before the board, the qualifications and impressions each of their constituents had as a result of the on-campus interviews, and those comments were all taken into consideration in a deliberation the board engaged in," he said.

The open presidential search, the first of its kind at UW, was almost universally praised by trustees and the campus community.

"The board is extremely pleased with the process from start to finish," trustees President Dave Palmerlee said. "It was very successful. As Tucker Readdy said to us, it could be used as a model for other universities for presidential selection."

H.A. Editor's Note: Dr. Nichols is the daughter of Audrey and Dave Stenberg, Stenberg Herefords, Colman, SD.

Byron's Editorial...*(continued from page 1)*

Our world seemed to be in a total upheaval and once again people in this country started to feel uneasy about the possibility of war and bad guys attacking us. Our U.S. President did not seem to have a direction in which he wanted to head in his last year in office. The political outcry from all of the people wanting to be our next U.S. President, was being talked about by most of our population. We need to cautiously look forward to 2016, as in my mind it will be a pivotal year for our country, and therefore also a pivotal year in the livestock industry.

I was saddened recently to hear of the passing of Jim Storey of Bozeman, MT. Jim and his family have been in the Hereford purebred cattle industry in Montana for about as long as I can remember. Jim was quiet and articulate, but when he spoke his words were ones of wisdom. The Storey herd, which is being carried on by his daughter Kathy and her husband Chuck Kohlbeck and their daughter Katelyn, is one of the older Hereford herds in Montana. Jim was a member of an unofficial group that had a lot of different names, one being the Montana Hereford Mafia, another the Hereford Renegades, and the other The Fabulous Five. (All out of jest.)

In those years, starting in the 1950s and going well into the 1980s, Mon-

tana had a selection of Hereford bull sales throughout the state that a group of these breeders attended each year to market their Hereford commercial bulls.

These sales at different times were held in Dillon, Butte, Missoula, Deer Lodge, Havre, Shelby, Stanford, Chinook, Malta, Lewistown, Livingston, Miles City, Missoula, Midland, Moiese, and probably one of the most important for this group, that were mostly Gallatin

Valley breeders, the Winter Fair in Bozeman.

The crew, was made up of Danny Landers of Wilsall, Virgil Isbell, Wilsall, Lorrie Peterson of Livingston, Jim Mikkelsen of Hobson, and Jim Storey of Bozeman. These hard working full time ranchers at one time or another during this period would take bulls to most of these sales that were active at the time. It was normally two bulls each, but occasionally some sales would allow them to bring up to four head. When possible these guys would put all the bulls they could collectively in their stock trucks, as there were no trailers in those days, and head out to one of the sales. Most of these sales at the time, with the exception of Missoula, were 50 head sales. When this group would get together after the arrival at one of the sales, they all helped each other get situated and settled, and they got the bulls washed and ready for the sale crowd to arrive. In almost every instance there was a banquet put on by someone local in the cattle industry to get the bull sellers together with the Chamber of Commerce.

The local ranchers were invited to mix with the combined crowd. The personalities of the Hereford group were all very different. The most vocal of the group

Byron's Editorial...*(continued from page 10)*

and the organizer of the shenanigans was Danny Landers. Danny was as likeable and sociable as a guy could ever get and he kind of led this group to their good times. These boys liked to have a few drinks and sometimes quite a few drinks. Usually, the group would meet some of the local ranchers and they would have a good time visiting, eating, and imbibing.

Normally, after the banquet they would go to one of the local bars and continue their levity. Usually, in the

early hours of the next day Danny would still be the life of the party but Jim Storey and Lorrie were probably the first ones to go back to the hotel. If Virgil thought Danny was still in fairly good shape, he would be the next to go home, he would monitor Danny to see how he was doing. Jim Mikkelsen and Danny were the ones that would go on with this function as long as the local ranchers cared to go on, sometimes to four or five in the morning and then call it quits for a short time, like an hour or two, and then head back to the barn to get the bulls ready for sale day.

It was always interesting, the whole

group appeared in about thirty minutes of each other very early in the cold mornings to get ready for these winter sales. The group always had the bulls looking great and ready for the auction sales to begin about noon and everything would be sold by about three o'clock, and ready for the new owners to take their bulls home. The Mafia would then help each other load and make sure everyone was ready to go and then they would start on their trek home, which in most cases was 200-250 miles. The next day after getting home, they would have to start getting the bulls ready for the next sale. This

would go on steadily from the first of October into March of the next year.

Sale after sale this group did the same pattern with the same camaraderie, the same helpfulness and the levity before the sales. It seemed like Malta or Chinook were the liveliest spots. I was asked to judge Chinook one year and it was a real enjoyable experience. Of course the same Mafia crew was there, plus some local breeders, and they had quite a number of bulls to sell. There was a lot of excitement in those days at the Chinook sale. The day before there would be a large crowd looking at the bulls and several of us went out to see some local ranches that day before the banquet held at a local community center. In those days we always had an AHA representative in the mix and helping sell the bulls. I can remember Dwayne Dietz spending an extra day visiting commercial herds either coming to or returning from a sale.

I would guess probably 150-200 people attended the banquet that night, bull interest was very, very good. I had a couple of drinks with the group, but because I was flying out the next day to Cheyenne, I was unable to stay with the fun crowd. However, Danny Landers was getting into a big conversation with one of the large commercial breeders from the area, and about one o'clock in the morning the cowboy told Danny he had to leave and get back to the ranch for some calving, but he would return tomorrow and try to buy some bulls. Well good old Danny said he would go along and help with the calving and come back to the sale with him.

So all night long after a great party and helping the rancher calve out some cows, Danny shows up at the sale barn and met his other friends and got the bulls ready for the sale. The bull show was at about ten o'clock and the sale was at twelve noon. Danny was a little quieter that day, but went on the same pace and sold his bulls well. I always admired that group for holding together and helping each other market their cattle for all those years. It was an unusual time in history because one by one all of these sales were to discontinue: Dillon, was one of the first, Deer Lodge only lasted a year, all of the sales in four or five years went by the wayside, Livingston held on for a while.

It was at the Top Cut Sale in Missoula where most of the cattle ended up being sold and then at the Winter Fair in Bozeman. I don't know how many hundreds of bulls the Hereford crew sold at those sales, or how many thousands of miles they traveled, but I do know that this went on for about 35 years. It was interesting that each and all of these sales were finally discontinued before any of this "fabulous five" passed away.

Danny and Virgil left us first, then

Jill's Editorial...*(continued from page 1)*

our entire crew who make all of these projects come together. Special thanks to Taylor Vroman and Robin Engel who have been with us for over 15 years each. Hard to believe but in the fall, *Hereford America* turns 20! Taylor has been with us for most of the 19 years we've been in operation. Both of these people are invaluable, talented people and have helped build *Hereford America* to what it is today!

I'm happy to say the Dakotas, Wyoming and Nebraska have more availability of Certified Hereford Beef through the distributors in the area. There are several restaurants and grocery chains trying out CHB. Nick Rausch at Greater Omaha tells me of the following new CHB customers: County Fair, 14 2nd Street NE, Watertown, SD who is selling CHB from Cash Wa. The distributor Sysco is selling to Maverick's Steakhouse of Aberdeen, SD on a trial basis. They won't be using CHB signage until a final decision is made. Anchors Away on Richmond Lake is also in the same holding pattern until they are ready to let the public know it is Hereford. Any support to these restaurants is very much appreciated.

Support from Hereford breeders and others is obviously encouraged. I feel like we've been down this same road before. About 10-15-20 years ago CHB and PHB were introduced to several restaurants and grocery store chains in the Dakotas but pressure from other breeds and other issues, primarily with meat counter managers, eventually saw the Hereford brand leave most of the venues. CHB is an excellent product. Once people taste it they love it. Hopefully by this stage of the game quality, management and whatever other issues prevented it from being successful and lasting, are rectified.

On another subject, be sure to read Margeann Warden's article about the first Junior Hereford group formed 50 years ago. The article is on page 50. Margeann was on the first board and said it was a wonderful experience for her. Expectations for the first group of Hereford youth were high and those in charge saw they were well trained in public speaking and etiquette as well as how to conduct themselves in public. This was a special group of young Hereford breeders, the majority of which went on to do great things with their lives. Many continued to raise Herefords. Margeann also went on to serve on the American Hereford Women board as well. She is a very humble person but will never forget the honor of serving on the first board which laid the groundwork for the huge junior association of today.

Having just produced some big publications I'd like to offer some advice to those of you going through the process of advertising your cattle. Don't make it more difficult than it needs to be; have a plan; be organized; get good pictures; be on time; have all your materials in before the publication's deadline. In the long run your results will be better than if you had not had a good plan plus it will save everyone a lot of aggravation. Keep the process simple!

Merry Christmas and Happy New Year to all of you. — JBH

Byron's Editorial...*(continued from page 12)*

Lorrie, and in December we lost Jim Storey. Jim Mikkelsen is still "hanging in there" as we older persons state. Each of these men were good cattlemen, they were hard workers, forthright, honest dependable and true to their convictions in the breed. As you would expect their wives were all very involved in their cattle operations and in each case some of their offspring have carried on in the cattle business. Each of the wives

of these men were very active in the Montana Hereford Auxiliary and we always had their support for input, social activities and bull sales, with treats and goodies for the people that were attending the event. In some cases in the winter, they even rented a Hospitality Trailer so that people could get inside to warm up, get a cup of coffee and a cookie and visit with other cattle people.

We pay respect to these men and women that I have mentioned in this article, however, there have been many more such people that we have

not yet written about, who also deserve our respect, and our breed will remain strong because of these type of people and their dedication to the Hereford breed. I just hope our next generation will do so well for the breed and people.

ALL FIVE OF THE 'FABULOUS FIVE' SHOWED CATTLE AT THE MONTANA WINTER FAIR FOR 50 CONSECUTIVE YEARS!

AHA Announces New Carcass Weight EPD & Gold TPR Breeders List

A record number, 118, Hereford breeders achieved Gold TPR (Total Performance Records) status for spring 2016, according to the American Hereford Association (AHA).

With the release of the spring 2016 Pan-American Cattle Evaluation (PACE), the AHA has also released a new Carcass Weight (CW) expected progeny difference (EPD). CW, expressed in pounds, is a predictor of the differences in hot carcass weight of a sire's progeny compared to the progeny of other sires at an age constant endpoint. CW is a moderately heritable trait (.18), which means that changes within CW in a herd can be made through selection. However, the heritability for CW is a bit lower than for other end product traits.

"Please remember that carcass traits are reported in a real carcass measure and not on an ultrasound measure," says AHA Executive Vice President Jack Ward. "Ultrasound is a great indicator for carcass traits, and we see the correlation up in the .8 range, but the true economically relevant trait is real carcass endpoint such as marbling and not the percent of IMF (intramuscular fat)."

"The reason the Gold TPR program was established was to recognize those breeders who go the extra mile to collect data at all levels of production and report that data in a timely manner," Ward explains.

Breeders must meet a specific set of requirements in order to be eligible for the program. They are:

- Herd inventory submitted prior to date inventory surcharge goes into effect.
- Complete reporting of calving ease and reproductive status for each dam on inventory.
- Complete reporting of birth weights for all live calves recorded in the calf crop.
- Complete reporting of weaning weights for all live calves recorded in the calf crop.

COOPER

HEREFORD RANCH

Line One Genetics

Undeterred by fads or trends, Cooper Herefords has maintained a closed line of breeding for over 70 years. The end result is a uniquely uniform herd that produces predictable and consistent genetics that work in all segments of the beef industry.

Thick, solid built bulls with sound feet and legs, and consistent carcass numbers. Feminine cows that rank among the top in the industry for maternal traits and udder quality.

Continually regarded as one of top breeders of Line One Genetics, the Cooper program has been a source for sound, practical, efficient purebred cattle for over fifty years.

Manning Named CHB Chief Operating Officer, General Manager

Amari Manning, St. Louis, Mo., has been named Certified Hereford Beef (CHB) LLC chief operating officer and general manager. Manning joins the CHB LLC team with 10 years of experience in the meat industry.

As general manager, she will lead the day-to-day operations of CHB LLC. "We are excited to have Amari join our staff and lead the CHB team," says Jack Ward, American Hereford Association executive vice president. "Her meat industry experience along with her ability to develop strategic business and marketing plans that increase market share will be a valuable asset to the program."

Recently, Manning has served as the Premium Protein Specialist/Brand Manager for Sysco St. Louis. In this role she managed all center-of-the-plate business activities in her Missouri and Illinois territory. Prior to moving to Missouri she served as the premium protein brand manager at Sysco Philadelphia.

She has also worked for Buckhead Beef and Catelli Bros. as a regional sales manager. During her career she

has worked in both business development and sales. She has also worked with branded beef programs and understands the strategy necessary to build and market a successful brand.

"Our goal for Certified Hereford Beef is to continue to build and create awareness for the brand in both the foodservice and retail industry through education, innovation and sustainability," Manning says. "Having experience in various segments of the market and an understanding of the dynamics of our industry allows a fresh perspective in creating a strategy to further develop the market. I am thrilled to have the opportunity to increase the demand for Certified Hereford Beef and take CHB to the next level."

Celebrating its 20th year as a brand, the CHB program experienced a record year of growth during fiscal year 2015 with 51.2 million lb. of product sold. Since 2008, CHB LLC has increased beef sales by 46%.

Manning joined the CHB team on Oct. 19 and relocated to the Kansas City area.

Bedwell Named AHA's COO Director of Breed Improvement

Shane Bedwell has been named Chief Operating Officer (COO) and Director of Breed Improvement of the American Hereford Association (AHA).

In this role, Shane will lead the AHA performance department and oversee the National Reference Sire Program (NRSP) and Whole Herd Total Performance Records (TPR™) program.

"I feel very humbled and honored to take the job as Director of Breed Improvement and COO for the American Hereford Association," Shane says. "I look forward to serving the membership and working for a first-class organization. I believe that because of AHA's outstanding leadership, the breed is currently positioned very well in the industry and envision continued growth for the years to come."

Prior to joining the AHA staff, Shane coached the livestock judging team at Colorado State University. In that role since August 2007, he has led many successful and championship teams. He also was an instructor for two livestock selection classes, as well as co-taught animal nutrition while serving as advisor for CSU's Block & Bridle club.

A Kansas State University graduate, Shane was a member of the 2003 Reserve National Champion Judging Team. Shane earned a master's degree

in beef cattle nutrition from the University of Illinois in 2007.

Shane was raised on a cow-calf and stocker ranch near Medicine Lodge, KS, and continues to help manage his family's 350 head cow-calf operation, which consists of a rotational cross of Hereford, Angus and Red Angus.

Shane has had the opportunity to judge cattle in 30 states including the National Western Stock Show, American Royal, North American, Fort Worth Stock Show, San Antonio Livestock Show and the Houston Livestock and Rodeo. He says he enjoys youth events and working with students who are focused on pursuing a career in the livestock industry.

"We are excited to have Shane join our Hereford team," says Jack Ward, American Hereford Association executive vice president. "He brings a wealth of commercial industry knowledge to our organization as well as a unique ability to communicate technology and science in beef-producer terms. He will lead our research projects as we continue to document and prove the Hereford advantage."

Shane and his wife, Lacey, have a 4-year-old daughter, Cealy Rose, and a 1-year-old son, Chisum. The family has relocated to the Kansas City area.

JBN Livestock, owned by Jim Bockwoldt, built a top quality Hereford herd northeast of Rapid City by the small town of Box Elder. It was difficult to see him sell this herd he had been so dedicated to improving over the years. Buyers at this sale were the benefactors of carefully selected genetics with low birth weight and high performance as Jim was meticulous in his genetic selections. With cattle selling into 7 states, it is a testament to the demand for this herd. Jim and his daughters, Bethany and Nicole are to be commended for the great job they did with their herd. We wish them well.

SH North Star 439

This 50W son is well put together and will add milking ability to your herd. He is out of a good Bonanza cow that was ten years old when she raised him.

SHR L1 Domino 467

This is a very thick 2142 son. We have been impressed with this calf since he hit the ground. His grandmother is an AHA certified Dam of Distinction. His mother is an excellent producing young cow.

**1st Annual Commercial
Bred Heifer Sale**
Raap Hereford Ranch
Pierpont, SD
November 10th, 2015

Auctioneer: Joe Goggins

102 Hereford Heifers — \$2,719
74 Black Baldy Heifers —
\$2,660

185 Black Angus Heifers —
\$2,348

30 Red Baldy Heifers — \$2,333
391 Head Total - \$2,503

Gene and Doretta Raap held their first Commercial Bred Heifer sale on their ranch. These high-quality heifers were either raised or purchased by Raaps and then developed into beautiful bred heifers. Gene does a fantastic job of developing and growing these heifers, and many comments were made on sale day about the quality. Also, these heifers were primarily AI'd to high quality bulls.

High-selling group of heifers were 44 Herefords that Raap purchased last year from Van Newkirk of Nebraska. They averaged \$3,200 per head and went to Snodgrass Farms of Rozel, KS.

Twelve Red Baldy heifers sold for \$3,000 per head and were purchased by Pieper Red Angus of Hay Springs, NE.

Fifty Black Baldy heifers sold for \$2,865 per head and were purchased by John Noe of Absarokee, MT.

Fifty-nine Black Angus heifers averaged \$2,500 and sold to Krebs Angus of Hinton, OK.

Gene and Doretta were pleased with how the sale went and plan on having it again next year.

DURBIN CREEK RANCH

NO FRILLS – Cows run out on native grasses in commercial settings on the high desert.
NO GIMMICKS – Cows calve in large pastures (3,000 acres) and do it themselves or they are eliminated by nature or management.
NO EXCUSES – Entire cow families have been eliminated for prolapse, eye, udder, feet and leg or fleshing ability problems for 40 years.
NO SECOND CHANCES – Every cow raises a calf every year period.

We calve in April so the females are on green grass. This gives us a better idea of the udder quality of the females and puts less stress on the calves. The females winter out and calve in a 3,000-acre pasture. They are checked once a day by horse. If a cow has calving problems, a calf does not get up and nurse or if the cow cannot travel from water hole to water hole, they are eliminated. We run approximately 1,200-head of commercial females that are exposed almost

exclusively to Durbin Creek Ranch bulls. Like you, these cows are our livelihood. We cannot afford diminished calf crops, low conception rates or poor carcass traits. The registered cow herd was designed with these cows in mind so that we would know in depth the history of the cattle dictating the genetic future of the program. We have retained ownership of our calf crop for 20 years. Extensive carcass and performance data have been compiled over the years.

“Cattle for commercial cowmen from commercial cowmen.”

Preserving History, Celebrating the Breed

By Mary Ridder

An effort to preserve a metal sculpture long stored in a shed in Eastern Nebraska eventually led to its restoration as well as the coming together of several Nebraska Hereford enthusiasts to organize a special celebration.

As part of his job as Assistant Clerk of the Legislature for Nebraska's unique Unicameral, Dick Brown preserves things: committee hearings, public records...if it's involved in the legislative process, he makes sure that it's safely saved. Through his years in this role, as well as his family's Hereford background in the Taylor area, he came to know Jerome and Charlie Warner, brothers who raised Hereford cattle near Waverly. Jerome served as a well-respected State Senator for 34 years.

On Warner property was stored a metal sculpture, Golden Design 14, created by Arlo Bray in 1975 for the ROM - Register of Merit - show at the Nebraska State Fair. Jerome's daughter Liz stopped at the Statehouse a couple years ago, Brown said, and asked if he remembered this bull.

This chance conversation led Brown to taking a look at the sculpture. Brown learned that the Nebraska Arts Council had a mini-grant program that could help with restoring the bull. To take advantage of these funds, Golden Design 14 would need to be displayed in public once restored.

Fast forward not so many months later, and the sculpture has been cleaned, repainted, and stands on a new foundation. The work was done by Bray's family members. To fulfill the grant requirements of displaying this art piece, Brown talked to Terri Licking who was raised on a Hereford ranch at Stapleton and serves as coordinator of the Thedford Art Gallery and on the board of the Follow the Rails Art Trail.

Licking suggested Brown should talk to Linda Teahon, a retired *Chadron Record* Advertising Manager and former Nebraska Hereford Queen from Purdum and to Gerri Monahan, from the Circle Dot Monahans of Hyannis, and currently with the Board of Educa-

Robin Meeks and Brian Iodence discussing one of the Hereford items on display at the Open House.

Dale Spencer and Golden Design 14, originally created by Arlo Bray in 1975 for a Register of Merit Show at the Nebraska State Fair.

tional Lands & Funds. The ball started rolling.

Now the desire to refurbish Golden Design 14 had grown into a big Hereford party called Hereford Crossroads and situated at the Thomas County Fairgrounds on October 17th. This event nestled within the annual Follow the Rails Art Trail which parallels Highway 2 from Grand Island to Alliance, the same route as the Nebraska Scenic Byways and Burlington Northern track.

Joining the Hereford Crossroads group was: Master of Ceremonies Ken Stephens, owner of K.E.G. Herefords from Valentine; and Dixie Hoffman of Hoffman Herefords, Thedford. Another key figure in pulling together the celebration included Hereford breeder Dale Spencer from Brewster who helped put the Governor's Proclamation into motion.

Dr. Lance Jones, a highly respected and now-retired veterinarian and Hereford breeder from Broken Bow, gave a presentation during Hereford Crossroads about the many breeders and commercial ranchers located along Highway 83's "Hereford Alley" stretching from Valentine to Thedford, particularly from the 1940s to the 1970s. Countless volunteer hours went into pulling together an event that was part art, part history, part reunion, part vision for the future of a Hereford museum and part just plain fun.

"It took on a life of its own," Brown stated. With approximately 125 people

gathering from throughout Nebraska, the event raised in excess of \$4,000 plus another \$2,000 towards a trailer for transporting Golden Design 14. More importantly, it kick-started the group's immediate goal of an annual event to unite people with Hereford ties and to explore the creation of a Nebraska Hereford museum.

Brown said the bull sculpture will next be displayed at the Nebraska College of Technical Agriculture at Curtis, and then on to the University of Nebraska, Kearney. Interest has been expressed by organizers of the annual Bull Bash at Valentine and the Cattle Baron's Ball to be held at Princeton next summer.

The Hereford Crossroads group will soon plan the 2nd event "and see where it goes from there," Brown added, with the goal being to preserve history and to celebrate Hereford regions throughout the state. "There is a foundation of Hereford breeders that continue," he stated, "and I see a lot of signs that things are going pretty well for the Hereford industry."

Facts:

- Group called Hereford Crossroads forms to celebrate Herefords and investigate the possibility of a Hereford Museum.
- Hereford History Preservation Project, a 501c3 for refurbishing Golden Design 14, a Hereford bull metal sculpture.
- October 17, 2015 proclaimed Hereford Day by Nebraska Governor Pete Ricketts.

The Loup County Historical Society has established a fund dedicated to the restoration and display of Golden Design 14. Contributions can be sent to the Hereford History Preservation Project, Box 137, Taylor, Nebraska 68879.

First Junior Cattle Breed Group Celebrates 50 Years

By Margeann Laurence Warden
Bernice, LA

Member of the first Junior Board

The first all youth cattle organization meeting was held in Kansas City, Missouri at the American Hereford Association Headquarters on Oct. 16-18, 1965. One hundred twenty-five Junior Presidents, Secretaries and Advisors, representing 31 states and 6,000 juniors, were in attendance. The Junior Hereford movement was started in 1957 in Kansas. Dwaine Waite, of Winfield, KS, was the first President of a state Jr. Hereford organization. Andy Duffle, Director of Junior Activities for the American Hereford Association, along with the AHA Board of Directors, envisioned a youth organization for the junior Hereford breeders. Because of their vision, some 550 juniors have been a part of the Junior Hereford Association Board of Directors. Now the board is known as the National Junior Hereford Association. Some have forgotten that the first few boards of the AJHA were made up of both Horned and Polled members. Some of the first advisors were also Polled. Several years after the AJHA organized, the Polled youth formed the National Junior Polled Hereford Council. Then, in 2000, the Horned and Polled youths merged to form the National Junior Hereford Association. This was after the merger of the AHA and APHA in 1995.

Through the years, many people have served as the Director of Youth Activities, but Andy Duffle and his assistant, Lovell Kuykendall "got the ball rolling" for the first junior cattle breed organization. Other cattle breeds followed this trend for their youth and so did the American Quarter Horse Association. In the May 1, 1965 issue of The American Hereford Journal, Tom Phillips, AHA staff artist, depicted on the Journal cover Andy shaking hands with attendees while Lovell, wearing hat, stands behind. The banner hanging over the door read National Junior Hereford Association. The newly organized board's first order of business in October 1965 was changing the name depicted on the journal cover to American Jr. Hereford Association. The year the American Junior Hereford Association was organized, Marshall Sellman, of New Mexico, served as AHA president.

The purpose of the AJHA was to "improve and promote the Hereford breed, through education, opportunity, desire, we the Jr. Hereford breeders are working in the present and for the future of the supreme character of our breed-Herefords."

In the November 1, 1965 *American Hereford Journal*, a complete recap of the organizational meeting was held.

The first AJHA Board of Directors included:

President: Laurence Kuhlman, North Platte, NE
1st VP: Larry Benedict, Mason City, IL
2nd VP: Miss Mary Ann Sellman (Kelsey), Watrous, NM
Secretary: Miss Margeann Laurence (Warden), Bernice, LA
Treasurer: Jack Dunford, Max Meadows, VA
Reporter: Miss Martha Williams (Henry), Forest, MS
Director: Miss Pat Reed (Scott), Benton, KS
Director: Larry Sterling, Kingwood, WV
Director: Mark Anderson, Termon-ton, UT

The first AJHA Advisory Board included:

Mr. Lorin Duemeland, VP AHA, Bismarck, ND
Mr. Henry Mattheissen, VP AHA, Hume, VA
Mr. J. Glenn Brown, Blakley Farms, Charles Town, WV
Mr. Mel Kirkeide, College Station, Fargo, ND
Mr. George Lazear, Wyoming Hereford Ranch, Cheyenne, WY
Mrs. Walter H. Lewis, Alfalfa Lawn Farms, Larned, KS
Mr. Paul Swaffer, Secretary AHA, Kansas City, MO
Mr. Andy Duffle, Dir. of Jr. Activities AHA, Kansas City, MO
Mr. Lovell Kuykendall, Asst. Dir. Of Jr. Activities AHA, Kansas City, MO
Mr. Ted Thomas, Fieldman AHA, Roggen, CO

For many of the young people in attendance in 1965, it was their first trip to Kansas City. The young people and their advisors were treated to delicious meals at restaurants and hotels in KC by Still House Hollow Farms, Hume,

VA, Carnation Milk Farms, Carnation, WA, Winrock Farms, Sulphur, OK, Bridwell Hereford Ranches, Wichita Falls, TX, Wyoming Hereford Ranch, Cheyenne, WY, High Point Farms, Brighton, MI and The Kansas City

Hereford Club. The Continental Hotel, in Kansas City, MO, served as the headquarters for the Hereford youth and advisors. It is interesting to note that the special rate for the rooms at the hotel ranged from \$4.12 to \$12.36 per night.

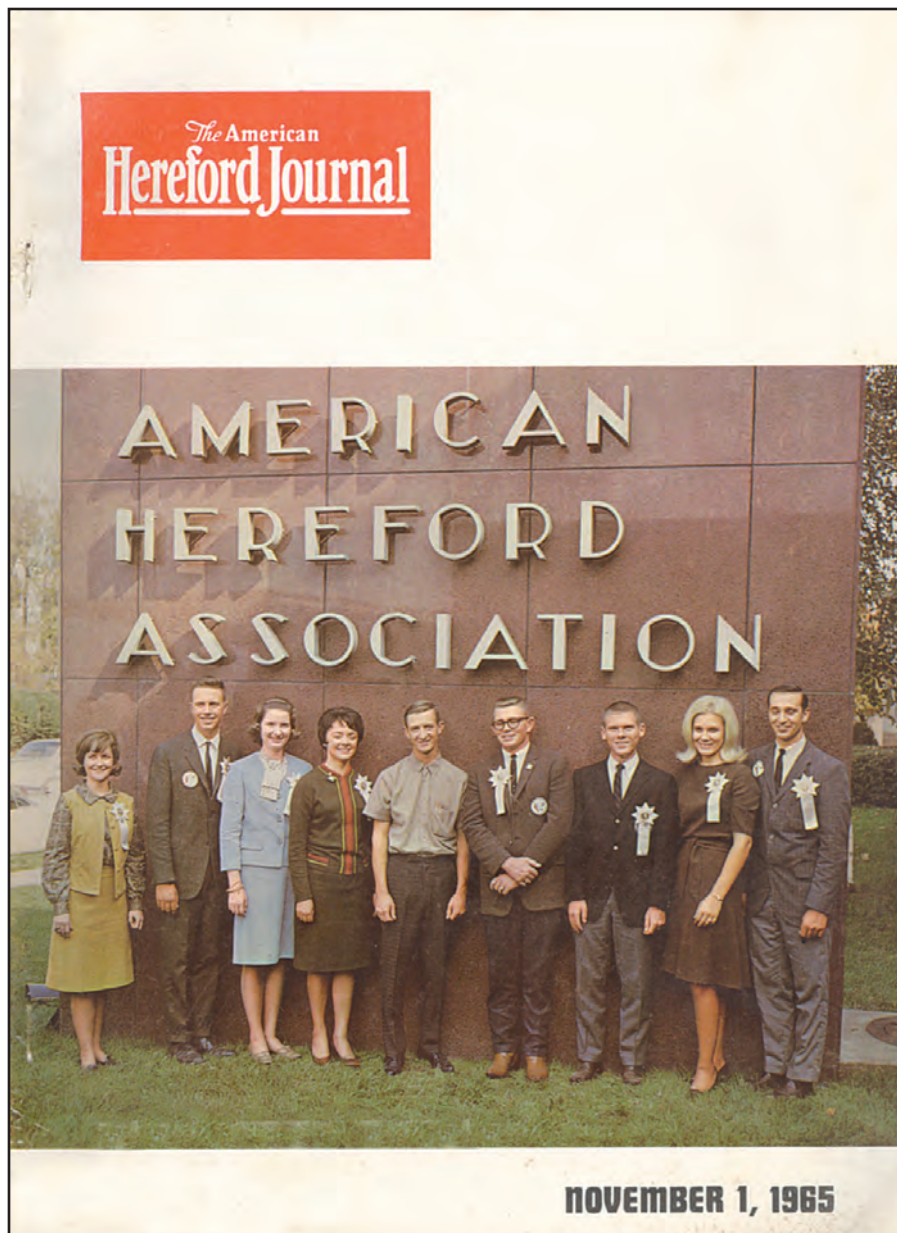

Since there were 31 state associations and Texas had three field days, each officer attended 3-5 field days in states closest to their homes.

During the first year, a Public Speaking Contest, Motto Contest and Scrapbook Contest were planned for the 1966 convention. As the years have passed, numerous awards and contests have been added.

Throughout the years, the Hereford youth have had a multitude of careers. Those who have been on the Hereford Junior Board have served their home towns, states and their nation. Several who were board members of the national youth organization have served on the AHA board and either the American Hereford Auxiliary, the American Hereford Women and the National Hereford Women. Some of the ladies have served on two of the American ladies' boards.

All in all, the AHA gave the Hereford youth of America a wonderful opportunity when the American Junior Hereford Association was organized in 1965.

Thanks to the AHA board, AHA staff, Hereford breeders, supporters and all the Hereford youth, the National Junior Hereford Association is still the leading youth cattle organization in America.

Pictured on the cover of the November 1, 1965 *American Hereford Journal* was the first board of the American Junior Hereford Association. From left to right are Martha Williams, Forest, MS, reporter; Mark Anderson, Termon-ton, UT, director; Margeann Laurence, Bernice, LA, secretary; Mary Ann Sellman, Watrous, NM, second vice president; Lawrence Kuhlman, North Platte, NE, president; Larry Benedict, Mason City, IL, first vice president; Jack Dunford, Max Meadows, VA, treasurer; Pat Reed, Benton, KS, director and Larry Sterling, Kingwood, WV, director.

— Hereford Breeders Honored —

Mrnak Family

(continued from page 1)

raised their five children in the Hereford business.

Jim was born on the family ranch near Bowman, ND. After graduating from high school he purchased five registered Hereford heifers and began to realize his dream of being a Hereford breeder. He also raised wheat, barley, oats, corn and alfalfa. Jim and Marlene married in 1953 and they made their life together breeding and selling Hereford cattle.

Mrnak Herefords embraced technology along the way. They enrolled in performance testing programs, used artificial insemination and embryo transfer.

Each February for the past 47 years, Mrnak Herefords has hosted a bull sale and has been successful in the showing as well. At the National Western Stock Show in Denver, the Mrnaks exhibited the Champion Hereford female in both 2001 and 2003.

But possibly the couple's biggest accomplishment has been raising their children — Connie, Wayne, Terry, Loren and Carla — with a love for the breed. Each has stayed involved in

the cattle business. Wayne and Terry, along with Marlene, operate the original ranch at Bowman. Loren owns and operates Mrnak Herefords West in Nevada and California. Connie and her husband have a Hereford-based commercial operation and Carla and her husband ranch in South Dakota.

The entire Mrnak family is involved, led by Jim and Marlene's example. Roger Stuber of nearby Stuber Ranch recommended them for this honor. He said, "They have both given their leadership skills and advice to the Hereford industry in many ways. County and state fairs, many Hereford tours, state and national leadership, along with many other endeavors. Both have given time and support to many other local and state activities."

Fellow Hereford breeder Bill Bennett summarized their stamp on the Hereford breed nicely in his recommendation letter. He said, "The Mrnaks epitomize the quintessential Hereford cattle family. Jim and Marlene have dedicated their entire lives to the betterment of the Hereford breed. Their cattle have always been distinctive competitors within any arena the Mrnaks have chosen to place them."

Chandler Family

who have dynamically influenced the direction and advancement of the Hereford breed.

The Chandler family has been raising Herefords in eastern Oregon's Baker Valley for 126 years. Currently the ranch is operated by Charles; his son, George; George's wife, Janet; and their son, Duane, and daughter, Patti Hall and her husband, Cliff. It was Charles' great-grandfather who left Missouri in 1862 and headed to California to find gold, but ended up in Oregon only three miles west of the ranch's headquarters today. The family has been raising cattle there ever since.

Duane and Patti represent the sixth generation to operate the ranch. They sell registered Hereford bulls, replacement heifers and feeders. Chandler Herefords touts genetics that excel in efficiency while adding size with correct type and appealing conformation. Chandler cattle have natural depth and thickness, with consistency gained from more than a century in the business.

Two members of the Chandler family — Herbert and George — served as

AHA president. In fact, during Herbert's second term as president, in 1953, he introduced President Dwight D. Eisenhower who then officially dedicated the new AHA headquarters in Kansas City. And in 1989, the same year Chandler Herefords celebrated 100 years in the Hereford business, Charles was inducted into the Hereford Honor Gallery.

Chandler Herefords has been known for producing some of the top cattle in the country. Most notably, Herbert Chandler bred Mark Donald in the early 1940s. Mark Donald's influence continues in the Hereford breed today.

Guy Colyer of Colyer Herefords in Bruneau, ID, says it is an honor for him to recommend the Chandler family for induction in the Hereford Hall of Fame. "The Chandler family has continued to be very aggressive with their breeding program," Colyer says. "Their cattle are known for their efficiency and doing ability. The Chandler family is rich in tradition but has kept up in the modern era and uses every modern convenience in today's operation."

A black and white photograph of a group of seven people standing behind a large black and white cow. The cow is standing in the center, facing right. A man on the far right is holding a lead rope attached to the cow's halter. The group consists of six men and one woman, all dressed in casual or work attire. Behind them is a large banner that reads "SIoux EMPIRE FARM SHOW 2015" and "SIOUX EMPIRE FARM SHOW". The banner also features logos for "SIoux EMPIRE FARM SHOW" and "SIOUX EMPIRE FARM SHOW". The background is a dark, textured wall, possibly a barn or exhibition hall. The floor appears to be dirt or sand.

A black and white photograph of a young bull standing in a grassy field. The bull has a dark coat with white markings on its face, neck, and legs. It is facing left, and a shadow is cast on the ground.

**HEREFORD SOCIAL and DINNER
WEDNESDAY EVENING JANUARY 27th
AT THE FAIRGROUNDS**

Kansas Hereford Meeting and Awards

The Kansas Hereford Association (KHA) annual meeting was held in Russell on December 5. Tom Krauss, President of the KHA, served as master of ceremonies and kept things running smoothly. Gene Meitler started the activities with the blessing of the meal. Tracy Schlickau reported on the activities of the Kansas Hereford Women over the past year, and busy they have been. The ladies do a lot in the promotion of the Hereford breed, both in the state of Kansas and also around the nation. Kim Cerny also spoke to the group and explained the importance of the state baskets at the junior national show every summer. She asked folks to support the basket project from Kansas.

Next on the agenda was the awards. Oleen Brothers from Dwight were honored as Hereford Breeder of the Year.

Tom Granzow presented the award to Jan and Arden Oleen and I think they might have been a wee bit surprised!! Tom also presented the Hereford Friend award to KXXX radio station. Tom Krauss was given a plaque for his service as president of the KHA for 2015. Tom Granzow presented the award and commented on Tom K's hard work and diligence in holding the office and how he always knew that if Tom G had a bad idea, Tom K was never shy about telling him so. Good job, Mr. President. Chris & Erica Mickelson were presented with the award for Commercial Breeder of the Year. Deb Gustafson presented the award. Dana Pieper presented the award for Honored Member in memory to Stephen Douthit. Steve's wife Melva, and daughter, Ana were in attendance. In a very solemn and reverant moment they

accepted the award to a standing ovation from the crowd on hand.

I do want to take a chance here to thank every one that helped to make this another great meeting for the KHA. As usual, I could not get it done without the help of all the committees that get the semen certificate sale together and also do the award and nominating work. A special thank you needs to go out to Lynn & Kathy Geffert and their

family as well. Lynn works tirelessly (I think he does get tired sometimes) to keep the KHA finances secure and up to date. He does an excellent job and I assure you his heart and soul are in it to be done right, honestly, and above reproach. He and Kathy also get the program printed and brought to the meeting.

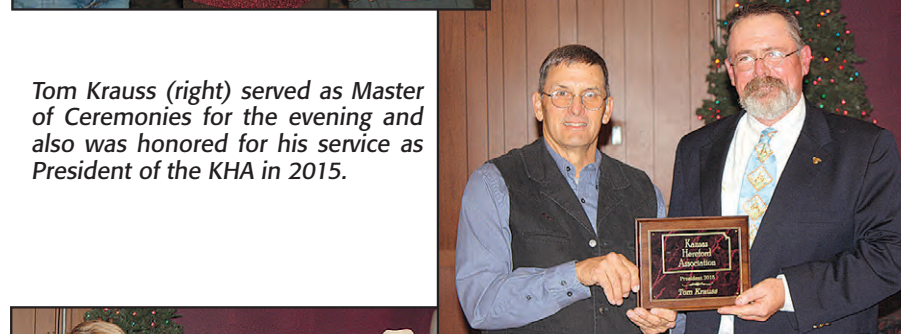

— Tom Granzow, KHA secretary

2016 Kansas Hereford Association Board – (Back row, left to right) Mike Orpin, Oliver Beall, Tom Krauss, Clint Meitler, Brian Coon and Lynn Geffert. (Front row, left to right) Terry Evans, Tom Granzow, Dana Pieper, Bob Hug and Brian Staab.

Melva Douthit (center) and Ana Douthit Enfield were on hand to accept the Honored Member Award for Stephen Douthit. Dana Pieper presented the award.

Tom Krauss (right) served as Master of Ceremonies for the evening and also was honored for his service as President of the KHA in 2015.

Oleen Brothers received the Kansas Hereford Breeder of the Year. Tom Granzow (center) presented the award to Jan (left) and Arden Oleen.

Chris and Erica Mickelson were presented the award for Commercial Breeder of the Year. The plaque was presented by Deb Gustafson.

Reno Celebrates 50 Years

Gary Kendall Honored with Hereford Heritage Award

Hereford breeders celebrated the golden anniversary of the Western Nugget National Hereford Show in Reno, Nev., Dec. 3-5.

Gary Kendall, Palouse, Wash., was honored with the Hereford Heritage Award during the event. He managed the Nugget Sale from 1987 to 2007. Also recognized was Sue Hoffman, who has served as the Nugget show secretary since 1988.

Jirl Buck, Madill, Okla., judged the 244-head show and said prior to the selection of the grand champion bull. "This show has been incredible. I have never judged a show with the depth of quality that we've had in each class. The number of high-quality individuals in the heifer and bull show has been exceptional."

Buck selected GKB 88X Tailor Made B163 323B and C Candy Cane 4030 ET to top the female shows while C CJC ILR Regal 3174 ET and BF Bar1 10Y Down Home 4111 ET won the bull shows.

GKB 88X Tailor Made B163 323B, by NJW 98S R117 Ribeye 88X ET, was chosen champion horned female after winning the senior calf division. She is owned by Hunter Alexander, Carthage, Texas, and was born Sept. 29, 2014. Reserve champion horned female was exhibited by Montana, Chance, Nick and Austin Deppe, Maquoketa, Iowa. BF B293 Girls Night Out 519C first won the spring calf division and is a March 12, 2015, daughter of GKB 88X Laramie B293.

In the polled show, C Candy Cane 4030 ET came out on top after winning the junior yearling division. She is owned by Piper Colyer, Bruneau, Idaho, and is a Jan. 4, 2014, daughter of NJW 98S R117 Ribeye 88X ET. Reserve in the polled female show and champion in the spring yearling division was GKB 9279 Lady Advance 86B, owned by Conner Alexander, Carthage, Texas. She is an April 1, 2014, daughter of ECR L18 Extra Deep 9279.

Colyer Herefords, Bruneau, Idaho; Iron Lake Ranch, Athens, Texas; and Curtis & Jackie Castle, Crawford, Okla., exhibited grand champion horned bull and champion senior bull, C CJC ILR Regal 3174 ET. He is a Feb. 7, 2013, son of NJW 73S W18 Hometown 10Y ET. The reserve grand champion horned bull first won the yearling bull division. C Bailees Miles 4312 ET is a March 18, 2014, son of C Miles McKee 2103 ET and owned by Potter Ranch Herefords, Winton, Calif.

In the polled bull show, intermediate division winner BF Bar1 10Y Down Home 4111 ET was slapped champion. He is owned by Brumley Farms, Orovada, Nev., and Bar One Ranch, Eugene, Ore., and is a July 16, 2014, son of NJW 73S W18 Hometown 10Y ET. Reserve grand champion polled bull, CRR 5280, is owned by Coyote Ridge Ranch, LaSalle, Colo.; Bill King, Moriarty, N.M.; Hirschfeld Group, Galesburg, Ill.; and Colyer Herefords. He first won the yearling division and is a March 2, 2014, son of CRR 719 Catapult 109.

Gary and Kathy Buchholz of GKB Cattle, Waxahachie, Texas, won the polled premier breeder and polled premier exhibitor awards. Junior Hereford member Fallon Gohr won the horned premier exhibitor title and tied with GKB for polled premier exhibitor. Winning horned premier breeder honors was Brumley Farms, Orovada, Nev.

Snedden Herefords, Maricopa, Calif., won first-place polled get of sire with a group sired BW 5W 38W Beef 172Z. Best six head polled went to Wooden Shoe Farms, Backfoot, Idaho.

CX Ranch, Pomeroy, Wash., won the pen show with three bulls sired by H5 9131 Domino 2185. Reserve champion pen was Sticks & Stones, Cheyenne, Wyo., with a group sired by GKB 88X Laramie B293, Churchill Sensation 028X and TS Rock Solid 109.

The 187-entry junior show judged by Dave Allan, Schulenburg, Texas, was Dec. 3. Piper Colyer, Bruneau, Idaho, topped the show winning grand champion owned heifer and grand champion bred-and-owned heifer titles with C Candy Cane 4030 ET. She is a Jan. 14, 2014, daughter of NJW 98S R117 Ribeye 88X ET. Reserve champion in the owned heifer show went to Fallon Gohr, Madras, Ore., with C Snickers 4045 ET, a Jan. 2014, daughter of NJW 98S R117 Ribeye 88X ET. Candy Cane and Snickers are full sister embryos.

Reserve champion in the bred-and-owned show was also exhibited by Piper Colyer. C Bar1 Serendipity 5054 ET, a Jan. 7, 2015, daughter of WLB Winchester Powerball 27A, took the reserve banner.

In the bred-and-owned bull show, Caitlyn Hartzell, Oakdale, Calif., won the champion banner with FPF 302 109 Spectre 504. He's a Jan. 28, 2015, son of CRR 719 Catapult 109. Reserve was Fallon Gohr with C Gohr Thrill Ride 4105, a Jan. 20, 2014, son of C Thriller ET.

The Champion cow-calf pair was exhibited by Bailie Jo Stubblefield, Bend, Ore. Her cow, BK MS Penny 3101, by TH 71U 719T Mr Hereford 11X showed with an April 2015 daughter of TH 64U 719T Victor 26X at side.

Reserve champion cow-calf pair was shown by Sallie and Bailey Anderson, Rupert, Idaho. BSB 165 Glamour 11083, by WSF MC Destination 120J 545 ET, showed with her May 2015 daughter of H5 986 Domino 2132 at side.

Champion steer was exhibited by Tucker Pacatte, Santa Rosa, Calif. His steer, KPH Inside Trader 7Z 16C, by KF Blue Chip 7Z weighed 794 lb. Reserve champion steer honors went to Roslynn McGhehey, Redmond, Ore., with BHR Perfect 507. The son of H H Perfect Timing 0150 ET weighed 920 lb.

Obituaries....

Merle Michaelson

Merle Michaelson, 84, Jamestown, ND died Wednesday evening July 15, 2015 at his home in Jamestown, ND.

Merle Michaelson was born February 2, 1931 on the family farm home in Griggs County near Walum, ND, the son of Omer Michaelson and Myrtle (Heyerdahl) Michaelson. He received his education at Dover and Buffalo schools and graduated from Wimbledon High School in 1948.

Merle married Joyce Cresap on June 18, 1952 at Eidfjord Lutheran Church near Walum, ND. They were married for 63 years because of the great love and laughter in their relationship. They made their home in Wimbledon, ND where they farmed and raised registered Hereford cattle. In 2014 they moved to Jamestown, ND. He never retired from raising cattle. He still has a few head left.

He was a member of St. Paul's Lutheran Church in Wimbledon, ND and served as the secretary for the voter's assembly. He was a lifetime member of the American Hereford Association and he enjoyed raising cattle. He served on the Courtenay school board for many years and was a 4-H Leader.

Merle was the rock of his family. He was a kind and generous man with a great sense of humor. He loved his family and was a great role model for his kids and grandkids. He was community-minded and was a helpful neighbor. He will be greatly missed.

He is survived by his wife, Joyce, Jamestown, ND; 3 daughters, Amy (Chuck) Wanzek, West Fargo, ND; Carmen Larson, Jamestown, ND; Beth Marsolek, Jamestown, ND; 2 sons, Dean (Cheryl) Michaelson, Wimbledon, ND; Barry (Tammy) Michaelson, Jamestown, ND; 12 grandchildren; 2 step grandchildren; 9 great grandchildren, and 1 sister, Betty (Paul) Larson, Battle Lake, MN.

He was preceded in death by his parents and 3 brothers.

Jim Storey

James "Jim" "Papa" Wilbur Storey, 90, of Bozeman, passed away Saturday, Oct. 17, 2015. He was born Aug. 29, 1925, in Bozeman, Montana, to Wilbur and Hilda (Smith) Storey.

Jim's entire life was spent on his family's Storey Hereford Ranch. He

attended Pine Butte School, Gallatin County High and Montana State College.

Jim married Beatrice Louise "Bette" Andrews on Nov. 24, 1949, in Chicago, Illinois.

Jim's parents, Wilbur and Hilda Smith Storey, began farming outside of Bozeman in the early 20s. His father entered the registered Hereford business in 1935, making Storey Hereford Ranch one of the oldest Hereford operations in the state.

Jim served on the Pine Butte and Gallatin County High School boards. He served on the Gallatin Farmers' Advisory board of directors from 1971-72, on the board as president in 1974 and vice president in 1979. He sat on the first Gallatin County Study Commission in 1985-86 and on the Gallatin County Fair Board for 18 years. He served as advisor to the Montana Junior Hereford Association for nearly 20 years.

Jim was inducted into the Montana Winter Fair Wall of Fame in 1994. In 1996, the 50th Montana Winter Fair gave special recognition for 50 years of continuous participation in the Montana Winter Fair Cattle Show. In 1995, he was honored by the Montana Hereford Association as the Hereford Man of the Year for his long time support and dedication to the Hereford industry.

Jim was named 1997 Outstanding Farmer/Rancher. This award recognized individuals dedicated to agriculture and its value to the area's economy and resident's lives.

Jim never retired from ranching; he was involved in the operation with his family until he died.

Papa will be remembered for his quick wit, sense of humor, his patience, his manner and his kind soul and heart.

He was preceded in death by his parents and his wife Bette.

Survivors include daughter and son-in-law Kathy and Chuck Kohlbeck, daughter Lisa Storey, granddaughter Katelyn Storey Kohlbeck, sister Marjorie Williams, long time herdsman Ted Ruf, close family friend Sadie Reddick, all of Bozeman, Montana, and long time friends from the Kountry Korner Cafe and The Korner Klub.

Memorials may be made in his name to the MSU Foundation, 1501 S. 11th

Ave, Bozeman, MT 59715. In memo line put Livestock Judging Team.

Condolences and memories may be shared with the family at www.dahl-cares.com

Robert Donald Hopper

Robert Donald Hopper "Bob" passed away peacefully on December 5, 2015 at his home in Adams, OR.

Bob was born on February 1, 1925 in Pendleton, OR to Max and Isabelle Hopper. He graduated from Pendleton High School in 1943 and went to serve in the Navy Seabee's until 1946. Upon his return he enrolled at the University of Washington where he played football. After one year he returned home and began his life long career as a farmer and cattle rancher which he truly loved.

In September of 1946 Bob married his wife Patricia Ann Mann in Walla Walla, Washington. They were married for 69 years.

Bob really enjoyed traveling to Hawaii, swimming, farming, cattle and his wife's baking.

Bob is survived by his wife Patricia A. Hopper; daughters, Patricia Taylor and Susan Lyon; daughter-in-law, Diana Hopper; sister, Anne Olson; grandchildren, Michelle Hopper, Seth Hopper, Sam Taylor, Jack Taylor, Alex Lyon, Nicholas Lyon, and Gracie Lyon; great-grandchildren, Cassidy Hopper, Colton Duquette and Teagan Taylor.

Bob was predeceased by daughter, Sally Ann Hopper; son, Michael Irvin Hopper; son-in-law, Tracy D. Lyon and his parents Max and Isabelle Hopper; grand-parents, Thomas and Elizabeth Hopper and Donald and Annie McIntyre.

The family wishes to thank Bob's wonderful care givers, Amber, Barb, Melissa and Sandy.

In lieu of flowers donations may be made to the Mike Hopper Memorial Scholarship Endowment for the National FFA Scholarship Endowment, c/o Pendleton Pioneer Chapel, Folsom-Bishop, 131 SE Byers Ave., Pendleton, Oregon 97801.

Dr. Michael James Schlosser

Dr. Michael Schlosser was taken to his right place in heaven on Saturday, November 21, 2015 from injuries sustained in a motor vehicle accident near Mina, SD. A loving husband, son, father, brother, doctor, soldier and teacher; he will surely be missed.

Michael James Schlosser was born on March 21, 1956 to Henry and Rose (Kokkeler) Schlosser in Mandan, ND. One of seven siblings, he grew up and attended school in Mandan. Michael went on to get his Master's Degree in Chemical Engineering at University of North Dakota School of Medicine and Health Sciences in Bismarck, ND. He continued his education there receiving his medical degree from University of North Dakota School of Medicine

and Health Sciences. Dr. Schlosser did his residency at University of North Dakota Family Practice Center in Bismarck. He also served as an instructor with the American College of Surgeons.

In 1990, he began his career as a family practice doctor in Linton, ND for three years. Michael was united in marriage to Cynthia Rausch on May 18, 1991 in Linton, ND and together they raised five children. In 1993, Dr. Schlosser transitioned into emergency medicine at MeritCare/Sanford in Fargo, ND. He practiced there for 19 years before joining Avera in Aberdeen, SD for another three years.

Dr. Schlosser was known for his caring hands and decisive decision making in the ER. He served as a Lt. Colonel in the North Dakota Army Reserve as a physician with four tours of duty including two tours in Iraq and one in Afghanistan. During that time, he served six years with the 164th Engineering Battalion in the National Guard, Minot, ND. In the National Guard, Dr. Schlosser was a Medical Officer and Assistant State Surgeon. He participated as a medical support staff for the Honor Flight program, Fargo, ND.

Mike found peace in raising registered Hereford cattle with his brother-in-law and close friend, Gary Rausch. He was quite handy and would attempt to fix anything; whether a dishwasher or a broken arm. He enjoyed hunting pheasants with his sons and good friends, Doug Hushka, Scott Parks and Shane Madsen. Some of his favorite pastimes were spending time skiing, trying to fish, grilling and just relaxing with his family and friends at Lake Park, MN. His lake home there was built by a professional builder and good friend, Terry Becker. Dr. Schlosser and his beloved wife enjoyed scuba diving on trips to the Caribbean and going on many family trips. One of his greatest joys came from being a grandpa.

Grateful for having shared his life are his wife: Cindy Schlosser, Aberdeen; five children: Andy (KariAnn) Buntrock, Bismarck, ND, Kent (Rebecca Harbage) Schlosser, Helena, MT, Joseph (Michelle Drozd) Buntrock, Fargo, ND, Kara (Brent Knodle) Schlosser, Minneapolis, MN and Ben (Natalie Crawford) Buntrock, Williston, ND; his granddaughter: Tyne Buntrock and baby Buntrock who is due in mid-January; his mother Rose Schlosser, Bismarck, ND; four siblings: Patricia (Tim) Kearns, Colorado Springs, CO, Mirna (Cordell) Stromme, Bismarck, ND, Diane (Bruce) Roth, Denver, CO and Angela (Kevin) Hollatz, Bismarck, ND; and numerous nieces and nephews.

Dr. Schlosser was preceded in death by his father: Henry Schlosser; one sister Theresa and one infant sister Annette Schlosser; and his faithful

hunting buddy, Buck, his yellow lab.

In lieu of flowers, the family prefers memorials for the establishment of a program dedicated to the reintegration of servicepersons with the aid of equine therapy through SPURS Therapeutic Riding Center in Aberdeen, SD.

James "Jim" Lawler

James "Jim" Lawler, 85 of Paxton, NE, passed away, November 4, 2015 at the Golden Ours Convalescent Home in Grant.

Jim was born January 16, 1930 in North Platte, NE to Harvey "H.D." and Georgia (Feltz) Lawler. He attended District 16 rural school from 1st through 8th grade and then spent his Freshman year at the Nebraska School of Agriculture in Curtis, which was typical of farmers/ranchers of that time. He graduated from Paxton High School and then furthered his education at Regis University in Denver, CO.

Jim married Peggy Marie Heiser on September 26, 1949 at St. Patrick's

Catholic Church in Paxton. The couple made their home on the Lawler homestead. Their union was blessed with 3 daughters.

Jim continued the legacy of his grandfather and had a passion for farming and ranching. He loved the land, his cattle, and worked hard to refine his operation. He was a skilled roper, cattleman and loved watching rodeos. He and Peggy enjoyed traveling all around to attend various rodeo events. He served as a County Commissioner for several years. He was a long time member of the Elks Lodge in Ogallala and a lifelong member of St. Patrick's Catholic Church in Paxton.

Jim was preceded in death by his parents and a grandson, Zach Upton.

Survivors include his wife of 66 years, Peggy "Lou" of Paxton; 3 daughters, Barbara (Wayne) Upton of Monroe, Connecticut, Kae (Greg) Madden of Westminster, CO, Jo (Barry) Perlinger of Paxton; 6 grandchildren and 8 great grandchildren.

A memorial has been established in his memory. Condolences may be shared at www.prairiehillsfuneralhome.com.

Charles Herbert Chandler

Charles Herbert Chandler, 96, a life long resident of Baker Valley, OR died November 18, 2015 at Settler's Park in Baker City.

Charles was born Sept. 4, 1919 at the Chandler home on Valley and Clark Street in Baker City to Linda (Bodmer) and Herbert Chandler. He married Maribeth Gragg in 1941 and they had two sons, George and Charlie.

Charles raised prize purebred Hereford cattle, having bred national champions and some of the finest animals to ever be led into the show ring. Charles and his father, Herbert, successfully showed cattle all over North America. He also judged many of the national shows. Charles loved horses and was a very accomplished horseman using his skills daily on the Chandler Hereford Ranch.

Charles was a past President of the American Hereford Association, Baker County Cattleman's Association, member of the Historical Society, Oregon Cattleman's Association, and Life Member of the Baker Elks Lodge. There are too many other awards and

honors to list, but the latest honor was the American Hereford Association Hall of Fame given in October 2015 in Kansas City, Missouri.

Charles loved the cattle and the ranch. He saw many changes from horse drawn implements to computers and GPS guided equipment, being very forward thinking he started using computers back in the DOS operating system era and was self taught. He was an intelligent man and was the first of three generations to graduate from Oregon State University. George and grandson Duane are also graduates.

Charles loved his family dearly and would do anything for them. He enjoyed watching his grandchildren grow up on the ranch as well as his great grandchildren. He enjoyed fly fishing and camping in the Eagle Caps and loved Boulder Park Resort when it was in operation.

Charles is survived by son, George Chandler and wife Janet, grandson Duane Chandler, granddaughters Patti Hall and husband Cliff, and Kelli Bullington and husband Rodney, great

Obituaries...

(continued from page 72)

granddaughters McKenzie and Morgan Hall, great grandson Truman Bullington, daughter-in-law Margaret "Meg" Moore, great granddaughters Maddee and Lacey Moore.

Charles was preceded in death by his parents Herbert and Linda Chandler, wife Maribeth Chandler, sister Herberta Chandler, and son Charlie Chandler.

Contributions may be made in honor of Charles to the Baker County Livestock Producers Scholarship Fund or a charity of your choice through Gray's West Co., Baker City, OR. 97814.

Mae Ann Manning

Mae Ann Manning passed away in the Wyoming Medical Center in Casper, WY on Saturday December 12, 2015. She had been confined to her home this past year due to illness. Mae Ann was born September 2, 1932 in Douglas, the daughter of Henry Fredrich "Hank" and Gladys Mae (Sims) Amend. She had a brother, Marvin, and a sister, Mary

Amend. Her early years were spent in the oil patch where her father was a driller on some of the first wooden rotary derricks. In 1938 Mae Ann's parents purchased the Lost Springs Ranch two miles south of Lost Springs, WY and it became their permanent home. She attended the Lost Springs grade school, graduated from the Manville High School 1950 and attended Chadron State College.

She lived a full and vibrant life filled with hard work and lots of achievements and joy. Even though she was a rancher's wife her true love was horses.

Mae Ann and Robert Wayne "Bob" Manning were married February 11, 1951 in the Lusk Congregational Church in Lusk, WY. Their son, Alvin Wayne, was born December 11, 1951 and daughter, Debra Ann, was born May 26, 1955.

As a child Mae Ann had always dreamed of living on the Twenty Mile Ranch and raising horses which became a reality when she and Bob were able to purchase it from Mae Ann's grandmother Della Sims in 1952 a year after they were married. During their first years of marriage they lived at Bear Creek, 55 miles north of Douglas on Bob's fam-

ily's place and after the Twenty Mile purchase, they trailed cows from place to place which would take them a week staying in a sheep wagon with the kids. They later purchased the Bear Creek ranch from Bob's family where they ran sheep. In 2014 the Twenty Mile Ranch was inducted as a Wyoming Centennial Ranch.

Mae Ann belonged to the Woodbine Chapter #18 Eastern Star, Walker Creek Homemakers, CowBelles, Wyoming Stock Growers, Wyoming Wool Growers, Wyoming Pioneer Association, and the Prairie Hills Lusk Community Church.

Mae Ann rarely missed an opportunity to follow all of her family members at any of their activities from sporting events and rodeo. Mae Ann especially enjoyed being a timer at rodeos and team ropings.

One of her highest highlights was sponsoring the Twenty Mile Roping Club Gymkhanas at her home arena for all the youth in the area.

Mae Ann had many passions from attending rodeos, dancing, and she was an

avid collector of many fine things such as museum quality turquoise jewelry, antiques, and retired horses.

After Bob's passing she maintained and ran the ranching operation at Twenty Mile and Bear Creek until her health limited her in her last year.

She was preceded in death by her husband, Bob Manning, on February 12, 2006; parents, Hank Amend in December 18, 1970 and Gladys Amend on May 17, 1963, and brother, Marvin Archie Amend, on July 18, 1970.

Mae Ann is survived by her children Alvie (Billie Ann) Manning and Debra (Bruce) Murray; grandchildren, Ammie Murray, A.W. (Rachel) Manning, and Man Dee (John) Moore; several great-grandchildren; sister, Mary (Chuck) Engebretsen; sister-in-law, Irene (Bill) Lindmier.

Memorials may be given to the Converse County Ranchers Scholarship Fund in care of Converse County Bank, P.O. Box 689, Douglas, Wyoming 82633, the Wyoming Pioneer Association Building Fund, P.O. Box 1313, Douglas, Wyoming 82633 or to the Wyoming Cowboy Hall of Fame, 938 Shoshone, Powell, Wyoming 82435.
