Editorial Comments...

Jill Bayers Hotchkiss

Jill Hotchkiss

As I write this editorial, we are preparing for Christmas while juggling several publications, directories, bull sale catalogs

and big video projects. We are truly blessed. At this time of year, while working very long hours to get the publications and videos out on time, it gets crazy and chaotic. As well, all of you have your own busy schedules right now. It is important to take a break and reflect on the true meaning of this season.

We also reflect on the past year and all of its events. We as a family went through the highs of celebrating our 100th ranch anniversary in July and being recognized by the American Hereford Association in November, to the ultimate low of losing Dad in July. This left a huge hole in our hearts and lives even though we know he is in a much better place, back with Mom and other family members and our Lord.

As we move forward to joyous events of Christmas and family, shortly thereafter, our nephew Ty Hotchkiss is marrying Rosie Douglas. Many of you know these young people as they have been around with us on a few video jobs the last several years. We are so happy for them and their bright future.

Rosie is from Scotland and comes from a Hereford family there. She is almost finished at South Dakota State University and will officially graduate in May. You

American Hereford Association Awards Highest Honors at Annual Meeting in KC

Hall of Fame — Dale and Mary Barber, Channing, TX, were inducted into the AHA Hall of Fame in Kansas City in October. They are pictured with AHA director Bruce Thomas (left), Gold Creek, MT and AHA president Kevin Schultz, Haviland, KS.

Hall of Fame — Greg Shaw, Caldwell, ID, was inducted into the AHA Hall of Fame. AHA director Bruce Thomas (left) and AHA president Kevin Schultz presented the award.

Hall of Fame Inductee — John Loewen, Waukomis, OK, with AHA president Kevin Schultz and AHA board member Bruce Thomas.

Hall of Fame Inductees — Barbara and Clifford Copeland, Nara Visa, NM, with AHA president Kevin Schultz and AHA board member Bruce Thomas.

Greg Shaw, Caldwell, ID, John Loewen, Waukomis, OK, Dale and Mary Barber, Channing, TX, and Clifford and Barbara Copeland, Nara Visa, NM, were inducted into the Hereford Hall of Fame Oct. 26, in Kansas City, MO, during the American Hereford Association (AHA) Hereford Honorees Reception during the AHA Annual Meeting and Conference.

The Hall of Fame honor annually recognizes breeders who have dynamically influenced the direction and advancement of the Hereford breed.

Hall of Merit — Jay George of United Livestock Brokers, Lebo, KS was presented the Hall of Merit award by Bruce Thomas and Kevin Schultz.

Elkington Polled Herefords and South Devons

Presents the 2019 Efficiency Experts Range Raised Cattle Sale

Friday, February 1, 2019 12:30 p.m.

At the ranch 7 miles east of Idaho Falls On Sunnyside Rd.

Elkington is the source for polled outcross genetics unique pedigrees throughout the entire offering.

91 Bulls, Sound easy keeping range raised coming two-year-old bulls born in March and April. • **80 Polled Herefords**
23 South Devons (14 black, 9 red) • **25 Bred Polled Hereford Heifers** • **6 South Devon Bred Heifers**

Lot 423E • EPHR ELKER LEADER 423E

- Herd bull prospect!
- Great son of the Leader bull. He really combines all the traits to be a special animal. Long and smooth. We used him on the AI cows this summer as clean up. He never missed a beat and just kept doing good out breeding. We will be retaining a full 1/4 interest in this bull.
- BW 94 lbs. Ratios: WR 114, YR 109, REA 112, IMF 128, SC 41 cm.

Lot 439E • EPHR ELKER BROKER 005C 439E

- Herd bull prospect.
- A stylish moderate framed son of the broker bull. This is a thick and smooth bull with all the pieces. A heifer bull. Retaining 1/2 interest in this bull.
- BW 75 lbs. Ratios: WR 112, YR 103, REA 123, IMF 122, SC 39 cm.

Lot 409E • EPHR ELKER PATHFINDER 409E

- Great pigment on this bull, thick and meaty. A heifer bull.
- BW 72 lbs., SC 34.5 cm.

Delivery: Free delivery on bull purchases of \$4,000 or more west of the Mississippi; we'll pay half on deliveries, east of the Mississippi. Heifers: Will pay half of delivery on purchases of \$4,000 or more on heifers nationwide.

Lot 438E • EPHR ELKER LEADER 438E

- Herd bull prospect!
- A thick well made son of the leader bull. A great spread from birth to yearling in this bull. Will work on heifers. Retaining a 1/4 interest for our future AI use.
- BW 79 lbs. Ratios: WR 118, YR 105, REA 96, IMF 132, SC 48 cm.

Lot 414E • EPHR ELKER PATHFINDER 414E

- Great goggled eyed bull. Dam is a great young cow. A heifer bull.
- BW 67 lbs. Ratios: WR 102, YR 102, REA 96, IMF 140, SC 38.5 cm.

Lot 443E • EBS ELKER 523M 443E

- BIG, long and smooth. A red South Devon bull.
- BW 87 lbs. WW 655, YW 1075.

Lot 500E • LE ELKER MAXON 500E

- Herd bull prospect!
- A great bull with a ton of natural thickness. My daughter showed this bull at the Eastern Idaho State Fair and the Western Nugget in Reno. He is broke to lead but will still get out and cover the cows. Outstanding ratios on him. We will retain a 1/4 in herd AI interest in this bull. We will collect him before the sale and will not affect the new owners in any way.
- BW 84 lbs. Ratios: WR 126, YR 122, REA 121, IMF 155, SC 39.5 cm.

Lot 450E • LE ELKER MAGNUM 450E

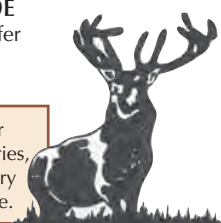

- A very stylish and classy bull. We used him on a few heifers this summer and are excited to see his calves. Smooth shouldered and long sided you will like him.
- BW 86 lbs. Ratios: WR 95, YR 103, REA 112, IMF 105, SC 37.5 cm.

Testimonial

Dixon Farms - Their bulls are very gentle and sound. They have deeply improved the genetics of our herd for steers that will sell and heifers you want to keep.
- Paul Dixon

Sale will be broadcast on **LiveAuctionsTV**

Uniform, Balanced, **CONSISTENT**

Our herd sires are the result of a line breeding program that enhances predictability & uniformity. Maintaining the Line 1 genetic pool has enabled us to quickly capitalize on traits desired by our customers & the beef industry, while at the same time increasing the uniformity of our herd. The end result is a selection of 80-90 yearling bulls that vary little in structure & type from top to bottom.

Selling:

85 YEARLING BULLS
20 YEARLING HEIFERS
15 YOUNG BRED COWS
3 YOUNG DONOR COWS

Jill's Editorial...

(continued from page 1)

might remember an article we ran on the Douglas family a few years ago. Last summer Marc, my sister, a cousin and I had the pleasure of visiting the Douglasses at their farm in Scotland. It was a fabulous trip and they were tremendous hosts. We look forward to seeing them soon at the wedding and renewing acquaintances. They are a wonderful family and we are thrilled Ty and Rosie are finally tying the knot.

THE PINNACLE OF HEREFORD GENETICS

THIRD
ANNUAL

PRODUCTION SALE

MARCH 8, 2019 • ABSAROOKEE, MONTANA

CHOICE
HEIFER LOT

Mating is HH Advance 5044C ET by HH Miss Advance 9228W

We are offering a special sale feature this year. Buyers' choice of one heifer out of the HH Advance 5044C ET x HH Miss Advance 9228W flush. We were able to purchase the right to flush 9228W out of the 2016 Hoffman Female Sale. 5044 was our choice to use on this exciting mating. These beautiful 5044 heifers are going to be ones to build a program around. They have all the bells and whistles; calving ease, growth, maternal and carcass.

All cattle selling have genomically enhanced EPD's.

Please check out **LBarW.com** for more details, videos and to request a catalog.

SEMEN
PACKAGE

IF you have been waiting for the opportunity to purchase semen on **CL 1 Domino 776E** here it is. We will only be offering 2 chances for semen in 2019, and this is one of them.

776E caught the eye of top producers in the nation this spring as he sold for \$85,000 in Cooper's 2018 Production Sale. He's a phenomenal bull backed by a pedigree of breed leading genetics. Phenotypically, you won't find many bulls marked up better than him. He's short marked, red necked with 100% pigment, and his EPD profile shows excellence in maternal power, performance, and carcass merit. He currently ranks in the Top 5% of the breed for Scrotal, Top 15% CED, and Top 40% or better for WW, Udder, Teat, and REA. Selling 3 packages of 5 units each

(continued from page 8)

Marc and I attended the AHA's annual meeting in Kansas City at the end of October. Our family, Bayers Hereford Ranch, was honored for 100 years in the Hereford business and my sister Kathy joined us there. My brother Rich had planned to be there as well but had a kidney stone attack and was unable to make the trip. It was surreal being recognized at the AHA awards reception. What an honor for our family and a wonderful way to recognize my grandparents, parents and rest of our family's life achievements. Thank you to the AHA for recognizing our family. It is deeply and greatly appreciated.

It was a special evening not only for us but for the other families who were honored. You will see their pictures on the front page and throughout this issue.

A tour of the new AHA headquarters was held during the Hereford weekend. After spending years at the downtown location, the building was sold and a new office location is being leased near the airport. A reception was held at the new office and quite a few people took advantage of seeing the new office. The staff did a very nice job retaining historical pieces and displaying those as well as having current award winners and information displayed. Staff offices are interspersed among these items that pay full honor to the American Hereford heritage and the Hereford art collection is incredible.

For me it was very touching seeing references to both my mom and my dad. Mom was recognized as one of the founding members of the American Hereford Women's Auxiliary. It was touching to see her recognized along with several of her friends who were in that group. And of course Dad was recognized for his award in the Hall of Fame last year and as a past AHA president. It was interesting to read about many other people I knew or had heard about through the years. One is A.B. Cook from Townsend, MT, who my Grandpa Art Bayers used to show against in the early 1900s. Also of great interest and very touching for me, was to see Bud Snidow's old brief case. If that case could talk, much like Bud, you'd be listening for a long time. Bud was a huge part of the foundation of our breed.

Old books, old trophies and photos grace the halls of the new office and the staff did a great job putting it all together for the membership tour.

The next day or two there were several good seminars and presentations of varying degrees and of course the American Royal Show.

In case you missed it, Certified Hereford Beef® and Greater Omaha are parting ways as of Jan. 1. This was mentioned, although very lightly, at a CHB® panel discussion in Kansas City in which they included representatives from packer National Beef along with a Sysco representative and AHA and CHB personnel. CHB will continue with National Beef as a packer for the product. In our last issue we ran the CHB® press release about the grade change to Choice and Prime. (See Nov/Dec issue.)

Greater Omaha will continue with their own Hereford beef line.

I am anxiously awaiting announcements from both as to how they will move forward. We will print any news releases on it in our February issue.

All the best for a wonderful Christmas and Happy and Prosperous New Year!

— JBH

(continued from page 1)

Greg Shaw

A third-generation rancher, Shaw has been a committed Hereford breeder from day one. The Shaw Hereford Ranch in Caldwell, ID, got its start in 1946 when Shaw's parents, Tom and Mary, selected a Hereford heifer as the foundation for the family's herd. Ahead of their time, the family began collecting performance data in 1963. Greg officially joined the operation after graduating college in 1968 and got straight to work in bettering the herd.

In cooperation with the University of Idaho, Shaw, his wife, Cleo, and Tom started the Northwest Bull Test Center in 1969, the first performance bull test center in the Northwest. That same year, Shaw enrolled the Shaw Hereford Ranch cow herd in the AHA Whole Herd Total Performance Records (TPR) program, recording everything "by hand on good, old carbon-copy pages."

In 1988, the Shaw herd was divided into three. Shaw and Cleo ventured out on their own and started Shaw Cattle Company while raising their three children Tucker, Sam and Jaime, while carrying on the tradition of producing reputable performance cattle.

Shaw's commitment to the industry is supported by his multiple leadership roles and industry-wide recognition. He served as president of the AHA Board of Directors and was also a board member for the Idaho Cattlemen's Association and the Idaho Purebred Council. During his time on the AHA Board, he served as chairman of the breed improvement committee when the Whole Herd Total Performance Recording was implemented. In 2016, Shaw Cattle Company was recognized as the Beef Improvement Federation Seedstock Producer of the Year, an honor to an outfit that "prides itself on selling commercial bulls from a real-world cow herd."

John Loewen

With more than 60 years of experience, Loewen got his start in the registered business after receiving his first registered female as a wedding gift from his father-in-law and long-time Hereford breeder, Harold V. Hunter. The two worked together running the HVH herd in Waukomis, OK, for many years.

Loewen and his wife, Mona, now operate the ranch under Loewen Herefords and have stayed true to raising "curve-bending cattle with carcass merit." He is regarded as a disciplined breeder and a mentor by his peers and is recognized for his "preservation and advancement" of the breed.

His dedication to breeding Hereford cattle that fit the needs of the (continued on page 14)

commercial industry is only outshined by his passion for service. Loewen was a member of the AHA board of directors and served as chairman of the Certified Hereford Beef® Board and also served on the Hereford Youth Foundation of America Board. He currently chairs the Hereford Legacy Fund LLC Board. Loewen has been an integral leader in the Oklahoma Hereford Association, serving as its president several times.

Dale and Mary Barber

Dale and Mary Barber, are the owners and operators of Barber Ranch, a 114-year-old operation located in Channing, TX. Barber Ranch's roots trace back to a commercial horned Hereford cow herd Mary's grandfather started in 1904. Mary's dad replaced the commercial cows with registered ones in 1950 and the family's vision for raising the best Hereford cattle possible has remained steadfast as the industry has evolved.

Dale grew up on a commercial Hereford ranch in the Hill Country of Texas. He graduated from veterinary

school at Texas A&M University and then joined the Air Force as an officer. Dale met Mary soon after graduating vet school and they got married. Shortly after, they moved to Channing to take over the ranch.

Barber Ranch was a pioneer in blending both horned and polled genetics and producing popular pedigrees. The pedigree of the program's most influential cow, Gabrielle, can be found throughout herds all across the U.S.

Dale and Mary are also huge supporters of the National Junior Hereford Association. Their four

children, Brett, Justin, Jason and Terri, have all grown up to become leaders in the Hereford business and are still involved in the ranch in some capacity.

The Barber Ranch prefix has been on countless national champions over multiple decades. The prominence of their visionary breeding philosophy continues to be a dominant force at all competitive national sales and shows.

Clifford and Barbara Copeland

Originally established as Jack Copeland and Sons 75 years ago by Clifford's grandfather, Otis, and dad, Jack, Copeland & Sons Herefords, LLC, is nestled just north of Nara Visa, NM. At the ripe age of 10, Clifford made a commitment to become a great rancher and raise the best Hereford cattle he could.

Clifford and Barbara met showing cattle at the New Mexico State Fair, and in 1959 the couple assumed management of the Copeland family ranch. Fast forward, the ranch now has two divisions and is home to more than 500 cows and three generations of Copelands — Clifford and Barbara; son Cliff, and his wife Pat; and their son, Matt. The operation hosts an annual bull sale in the spring and females in the fall. On the ranch's 50th anniversary in 1993, the Copelands hosted the New Mexico Junior Hereford field day and Governor Bruce King declared the day as Hereford Day in New Mexico to help celebrate.

Clifford and Barbara have devoted decades of leadership to the breed. They have both served as advisers for the New Mexico Junior Hereford Association. Barbara saw through the formation of the American Hereford Auxiliary and was a charter member of the Auxiliary.

In addition to their service to the breed, Clifford and Barbara are leaders in their community. Clifford helped organize the local fire department and served as its first chief. Barbara has been instrumental in preserving the history and old buildings in the area, and currently serves as the curator for the Little House on the Prairie in Amistad.

"We congratulate these individuals for the impact they have made on the Hereford breed," said Jack Ward, AHA chief executive officer. "Their dedication to the breed is inspiring and I am honored to induct them into the Hereford Hall of Fame."

Clifford and Barbara Copeland

George Inducted Into Hereford Hall of Merit in KC

Honorees Reception during the AHA Annual Meeting and Conference in Kansas City, MO. Hall of Merit inductees have greatly influenced the Hereford breed and cattle industry.

Described as a "true marketer," George has covered the entire spectrum of livestock marketing throughout his

Photo by Jill Hotchkiss

40-year career. Raised on his family's Hereford ranch in Lebo, KS, George was active in 4-H and FFA showing and judging livestock. He continued to

be involved in the livestock industry at Kansas State University (K-State), where he competed on the livestock and meats judging teams, served as the president of the Block & Bridle Club and worked at the Purebred Beef Barn.

After graduating with a degree in animal science in 1973, George worked as a fieldman for the AHA, covering the Dakotas and Upper Midwest territories. During his 10 years with the AHA, he developed skills as a marketer and photographer, and many "JG" photos have since graced the covers of breed journals, livestock publications and national ad campaigns. In 1984, he joined United Livestock Brokers, Inc., where his ahead-of-the-curve breeder marketing programs introduced the newest tools and data available for genetic selection.

George served as the *Tri-State Livestock News* director of field services and was on the board of directors for the Central States Fair and Black Hills Stock Show. He played a major role in initiating the Black Hills Stock Show Hall of Fame, Foundation and the pen bull and commercial heifer shows.

George moved back to his family's Kansas ranch in 2008 after 30 years in Rapid City, SD. He continues United Livestock Brokers sales management, is an active partner in the family cow-calf operation and pursues his own Santa Fe Ranch performance Quarter Horse breeding program.

"George is a true believer in white-faced cattle," Bob Harrell says. "He has committed his life to the promotion and betterment of the breed."

Certified Hereford Beef® Recognizes Brand Partners

KANSAS CITY, MO — Certified Hereford Beef® honored National Beef Packing, Yoke's Fresh Market, Sysco Nashville, Sysco Virginia and Chef Jonathan Scinto for their dedication to the Certified Hereford Beef brand at the American Hereford Association (AHA) Honorees Reception during the AHA Annual Meeting and Conference in Kansas City, MO.

"Once again, this year has been one of growth and transformation for Certified Hereford Beef as we move our brand forward to a new era of success," said Amari Seiferman, Certified Hereford Beef president and CEO. "Our accomplishments are due to the support from our valuable partners who diligently market, promote and sell our premium Certified Hereford Beef, produced by our network of more than 7,000 Hereford farm and ranch families."

National Beef Packing

National Beef Packing was named the 2018 Packer of the Year. A brand partner since 2003, National Beef has consistently increased the sales and distribution of Certified Hereford Beef product each year. In 2018, they launched a new Certified Hereford Beef marketing campaign targeting their customers to increase recognition of and to ultimately grow the Certified Hereford Beef brand.

Yoke's Fresh Market

Yoke's Fresh Market has consistently been a top volume retailer for Certified Hereford Beef, marketing and promoting the brand to their loyal customers. The employee-owned, retail grocery chain has 17 locations across Washington and Idaho, and opened its first location in 1946. Yoke's became a Certified Hereford Beef partner in 2015 and has since provided customers with a well-rounded program selection.

New Directors, Officers of AHA Board Elected

Three members were chosen as new directors on the American Hereford Association (AHA) Board at the AHA Annual in Kansas City MO.

Delegates elected three new directors during the membership meeting. Craig Beran, KS; Bruce Everhart, IN; and Andrew Matheny, KY, will serve four-year terms on the 12-member Board.

Craig Beran

Along with his three brothers, Beran owns and operates B&D Herefords and Angus, which consists of 800 cows. Craig has been an active member of the AHA for more than 30 years and has served as a delegate for Kansas for the past 20 years.

(continued on page 22)

AHA Board...

(continued from page 20)

Bruce Everhart

Everhart Herefords is a 50-year purebred operation consisting of 25 head. The operation sells bulls, steers and heifers to commercial and junior members in the Midwest. Bruce recently retired after a 40-year career in ag banking. He managed an ag banking team in the Midwest with

Wells Fargo Bank. Bruce is also a board member and past president of the Indiana Hereford Association.

Andrew Matheny

Matheny Herefords is a 150-head operation that began in 1990. The goal at Matheny Herefords is to produce Hereford cattle that fit the demand of its customers to perform well in both purebred and commercial operations. He is a past member of the Kentucky Hereford Association board of directors as well as a past member of the AJHA board of directors from 1985-87.

Completing their terms on the AHA Board were outgoing president Kevin Schultz, Haviland, KS; Jim Mickelson, Santa Rosa, CA; and Bob Thompson, Rolla, MO.

Pete Atkins is the newly elected president; Joel Birdwell the new VP.

CHB Awards...

(continued from page 18)

Yoke's Fresh Market was awarded the 2018 Retailer of the Year.

Sysco Nashville

Sysco Nashville was honored as the 2018 Foodservice Distributor of the Year and consistently ranks as one of the top Certified Hereford Beef foodservice distributors each month. Sysco Nashville was also honored as a member of the CHB 10 million pound club.

Sysco Virginia

The inaugural Marketer of the Year award was presented to Sysco Virginia to honor the foodservice distributor's dedication to promoting the Certified Hereford Beef brand at the highest level. A proud supporter of the brand, Sysco Virginia has taken an innovative lead in marketing the Certified Hereford Beef program to its customers.

Chef Jonathan Scinto

Chef Jonathan Scinto is a celebrity chef who has been seen on Food Network's "Chopped" and "Master Chef" and has promoted the Certified Hereford Beef brand at food events across the nation. He has shown a passion for the brand and a desire to educate consumers about the premium eating experience produced by America's Hereford farmers and ranchers. This November, he will compete with Certified Hereford Beef products at the World Food Championship competition in Alabama. Chef Jonathan was honored as the 2018 Chef Brand Ambassador.

Bayers Hereford Ranch Honored for a Century of Success

Bayers Hereford Ranch, Twin Bridges, MT was recognized for 100 years of raising registered Hereford cattle. Pictured accepting the award for the family were Marc Hotchkiss (left), Jill Bayers Hotchkiss, Kathy Bayers. Presenting the award was AHA president Kevin Schultz. Not pictured, Rich Bayers.

Also recognized as a Century Breeder was
McKnight Ranch in Texas.

They were not in attendance for their presentation.

South Dakota Hereford Breeder named President of American Hereford Association

At the 2018 Annual Meeting of the American Hereford Association, Pete Atkins, Tea, SD was elected president of the association.

By B. Lynn Gordon

"Herefords are Pete's role." Pete Atkins remembers his dad making this statement, when the family started in the Hereford business in the early '70s. Today, American Hereford Association (AHA) members say, "Herefords are

Pete's role," because on October 27, 2018, he was elected President of the AHA, during the association's annual meeting in Kansas City, MO.

Atkins ran for the board of directors in 2014, however, he came up short and did not win the seat. "I have always been competitive and after losing in 2014, I decided to run again and was elected to the board in 2015," he said. "I never really considered running for the board until previous AHA Executive Secretary Craig Huffhines, suggested it to me. I finally decided with my experience as an APHA fieldman, my love for the breed and my business experience, I may be able to bring something to the table as a board member."

Three years after joining the board, Atkins now serves at the helm of the association and is the first South Dakota Hereford breeder to do so since 1936, as historical records show Walter Bones, Parker, SD also served as an association president.

Pete and his dad, Alvin, in 1971, getting started with his role in the Hereford industry.

Laura and Pete Atkins at home on their farm near Tea, SD. "Serving on the board has been an honor, and a great learning experience," says Pete.

The road to the top

At the Alvin and Marguerite Atkins farm, managing the Hereford herd was the role of son Pete, while his Dad managed the farming operation. The Atkins family purchased their first registered females in 1972 from Ellis and Randy Stroschein, Clear Lake SD as a 4-H project for Pete. "Like many of us, my 4-H project got out of hand," said Atkins.

The 4-H project and interest in

Hereford cattle lead to the additional purchase of foundation females from Bar JZ Polled Herefords, Highmore, SD and Chester Gullickson, Bath, SD. Atkins Herefords grew over time and sold 20-30 bulls, privately, annually as well as consigning to sales such as the Watertown Winter Show. Atkins Herefords is currently owned by Pete and his wife Laura.

(continued from page 26)

After college, Atkins joined the American Polled Hereford Association as a fieldman covering the states of SD, ND, MN, WI, Eastern MT, Manitoba and Saskatchewan from 1983 - 1987. He enjoyed the role, seeing the many herds representing a breed he was so fond of, helping producers market their cattle and working shows and sales throughout his region. But, with 175 nights on the road and a young family back in Southeastern South Dakota, Atkins made the shift into working in the agricultural credit industry and moved his family to Spencer Iowa. With his parent's retirement and Pete's full schedule, they reduced the cow herd and put the top cows on shares at Delaney Herefords, Lake Benton, MN. In 1991, Pete, Laura and their three sons moved back to SD and purchased the family farm. The Hereford cows came back home in 1993.

Performance testing a priority

Performance testing has always been a mainstay for Atkins Herefords. Testing began in 1975. "It was a main focus in our herd," said Atkins, who used handmade spreadsheets to chart performance traits to make sure the cattle were meeting his goals and expectations. "Recordkeeping and performance testing allowed cattle to qualify for the APHA Guidelines Program and achieve our goal of producing higher performing Hereford cattle."

Producing high performing cattle is still a priority along with eye appeal to compete in the showing and soundness and functionality to work for the commercial cattleman, explains Atkins. "Today a select herd of females is maintained, and AI and embryo transfer is utilized to capitalize on the best genetics available."

A friendship and business agreement from the early '90s with Delaney Herefords, has led to a long-term partnership with Jerry and Shelly Delaney and family. Through this partnership, Atkins Herefords has produced herd sires and foundation females used in herds across North America and competed successfully at the National level. They hold an annual bull sale the last Monday of January at Delaney Herefords, plus an online female sale each October.

President's Perspective

"Serving on the board has been an honor, and a great learning experience.

Until you are involved and look closely at all the moving parts and everything that goes on daily at AHA you cannot fully appreciate the amount of work and wide range of business the staff handles."

Atkins is proud of the group of talented individuals who make up the board and the AHA leadership, emphasizing the broad range of talent each individual brings to the association. "Our leadership is among the most respected in the cattle industry

worldwide, and they have instilled that quality throughout the entire staff in Kansas City." Atkins himself brings a unique mix of cattle, business and agricultural industry experience. In addition to breeding and marketing Herefords, he spent 21 years in the banking industry and currently is co-owner of Westra Atkins Land & Auction, LLC, a company focusing on agricultural land and machinery

auctions. He jokes that he has experience a half inch deep but a mile wide.

"I like to talk about Team Hereford, and the job they do promoting our breed, but we need to remember, Team Hereford is not just the staff in Kansas City, it is every one of us and how we represent our cattle and our great breed. I have always felt strongly that Hereford breeders are one of the greatest groups of people you will meet anywhere. I believe that now more than ever."

Back in 1973 Pete and his Dad attended their first National Polled Hereford Sale at the National Western Stock Show in Denver, CO. One of Glenkirk Farms leading bulls was in

the ring and bringing top dollar. Pete remembers being in total awe of the quality of the animal and the price it was bringing and his dad stating to him – 'You work at it hard enough and someday that could be you.'

"I really never dreamed of being on the Board or President, my initial love and focus was breeding the cattle, but it is truly humbling to now be serving the membership."

State of the Breed

Atkins believes the role of a breed association is to work for its members, conduct the recordkeeping, promote the breed and provide breeders with the best tools available to improve and market

their cattle. It is the breeders role to sell and represent their cattle, and service their customers, but the technologies and tools to do so are facilitated by a breeder's membership and registry with the association.

The new president is excited about the advancements being made in

The Atkins Family; Laura, Pete with sons, Craig, Scott and wife Sarah, Paul and wife Sarah.

genomics and EPDs. BOLT and genomic testing can bring more reliability and accuracy to EPDs, allowing people to have more confidence in the numbers as a tool in the selection process.

"We have great momentum going right now. Now more than ever we have not only a great opportunity to continue to grow, but also an obligation to see that we are providing our customers the products that they demand and the customer service that they deserve."

During his final year on the board, and serving in the role as President, Atkins has the goal to complete some crucial initiatives. These include:

completion and implementation of the upgrade to MyHerd, enabling our members to complete their business with the AHA in a more efficient, user friendly manner; increase the number of genetic profiles on proven females through the Cow Herd Project, which will improve the genomic prediction of specific female traits and further expand the National Reference Sire Program (NRSP).

"I feel blessed to have had the opportunity to serve on the board and look forward to the coming year."

ADH JDH Munson 15E, sired by JDH Victor 719T, born 1/1/17, owned by Atkins Herefords and Delaney Herefords. 2018 Junior Bull Calf Champion at National Western Stock Show in Denver. He sold for \$60,000 (½ interest) to Perks Ranch and AbraKadabra Cattle Co.

Final Farewell

James N. Endres

James Nicholas Endres, age 86, of Watertown, SD, passed away on Monday, April 9, 2018, at a care center in Watertown.

Jim was born on July 14, 1931, in Watertown, SD, to Albert and Loretta (Haan) Endres. He grew up the eldest of 11 children on a farm east of Watertown, attended Immaculate Conception School and graduated from Watertown High School in 1950. After serving in the U.S. Army, he returned to Watertown and was married to Teresa (Schlenker) Endres and later divorced.

Jim married Maxine Hallauer. He enjoyed a life of farming, selling real estate and providing public service. Jim loved his Hereford cows going back to his 4-H years. He had winning cattle at the Denver Stock Show, Fort Worth, Louisville and many places in between! He was awarded the 'Supreme Champion' at the 2011 Watertown Farm Show and in 2008, the show was dedicated to him as a life-long participant. Jim also belonged to

the Yorkshire Association & Farmer's Union. He was a member of Immaculate Conception Parish and belonged to Knights of Columbus. Jim was a State Representative, Watertown School Board member and founded the SD Township Association. He started a career in real estate in 1985 and served as president of the Northeast SD Board of Realtors for two terms and as State Director. Jim thrived on hard-work and was a "mover and shaker" in everything he did.

Jim is survived by his wife of 33 years, Maxine Endres, of Watertown; nine children: Greg (Ann) Endres, Carol (Lyndon) Waters and Janet Endres all of Watertown, Don Endres (Angela) of Brookings, Judy (Jeff) Zeiger of Mankato, MN, Ruth (Derek) Parkhurst of Sioux Falls, Chuck Denly (Melissa) and Terry Endres all of Watertown and Dawn (Donnie) Hagstrom of Clark; 24 grandchildren; 21 great-grandchildren; nine brothers and sisters: Mary (Mac) McKibben of Veradale, WA, Tom (Barb) Endres, Patty (Lynford) Maag,

Bob (Janet) Endres, Maxine (Marv) Czech, Nick Endres and Barb (Cecil) Kienast all of Watertown, Katie Carter (Ted) of Sioux Falls and William "Bill" (Pam) Endres of Watertown; his mother-in-law, Hazel Hallauer; seven brothers-in-law: Jerry Zuffa of Des Moines, IA, Frank (Marsha) Hallauer of Indianapolis, IN, Bob (Deb) Hallauer of Henry, Ron (Lori) Hallauer of Lincoln, NE, Terry Hallauer (Erica) of Florence, David (Lisa) Hallauer of Bradley and Doug Hallauer (Tiffany) of Wallace; three sisters-in-law: JoAnn (Rick) Winter of Lake Norden, Mary Ann Hallauer of Sioux Falls and Sheryl Hanlon (Brian) of Brookfield, MO; and several nieces, nephews and cousins.

Ruben Winter

Ruben Winter, 96, of Goodrich, ND died Thursday, October 18, 2018 at the St. Aloisius Nursing Home of Harvey.

Ruben was born on October 26, 1921 near Chaseley, ND. He was the son of Gust and Lydia (Beich) Winter. Ruben grew up and attended two rural schools north of Goodrich. As a young man he worked on the family farm. During the winter months he traveled to many different states. Ruben married Adeline Kline on May 24, 1953 at Harvey. They lived and farmed where he raised small grains and registered Polled Hereford cattle. Adeline died on January 9, 2011. Ruben continued to live on the family farm.

Ruben was a member of the United Methodist Church of Goodrich where he served on many boards. He served on the FHA board in Sheridan County and served for Sheridan county on the

NDSU Experimental Station Board in Minot; Goodrich Elevator Board; Goodrich Lions Club; North Dakota Polled Hereford Association and was named Polled Hereford Man Of The Year in 2003.

Ruben is survived by his children, Jason (Linda) of Goodrich, Glenda (Wayne) Moe of Idaho Falls, ID, Julie (Kevin) Bender of Goodrich, Gus (Tina) Winter of Quincy, WA; eight grandchildren, Valerie (Aaron) Stevenson, Jessica (Casey) Anderson, Christina (Theron) Hudson, Erika Moe, Ethan (Megan) Bender, Ranee (Adrian) Ramos, Logan (AnnDraya) Winter, Isaac Winter; great-grandchildren, Jonah, Lydia, Taneah, Mariah, Stevenson, Bjorn and Jesper Anderson, Breckin Hudson, Aidan and Nicholas Ramos, Owen Winter.

Ruben was preceded in death by his parents, wife, Adeline, sister, Alvina Raugust.

Orpha Leibel

Orpha M. Leibel, 95, of Brookings, passed away Wednesday, November 21, 2018, at the United Living Community, in Brookings, SD.

Memoirs may be directed to the family to be used for nursing scholarships.

Orpha M. Leibel was born

on April 13, 1923, in rural Brookings County, SD, daughter of Mathias and Olga (Swanson) Sandbeck.

She grew up on the family farm south of Aurora SD, with her sister, Ione, and attended country school through 8th grade. Orpha continued her high school years at Brookings, graduating from Brookings High School in 1940. She then went onto college at SDSU and Sioux Valley Medical graduating from South Dakota State University in 1945 with a Bachelor of Science in Nursing. She practiced as a nurse in Watertown, SD, before returning to Brookings.

Orpha then went to work for SDSU at Student Health along with being a nursing instructor. When her children were young, she stayed at home to raise them, until they were all in school. She returned to SDSU Student Health, where she worked part time.

Orpha and John L. Leibel were united in marriage August 24, 1947 at Saint Thomas More Catholic Church in Brookings, and made Brookings their home for 56 happy years together before John passed away in 2003.

Orpha was a member of Saint Thomas More Catholic Church, Women's Church Guild at Saint Thomas More, Brookings County Nurses Organiza-

(continued from page 32)

tion, Brookings Hospital Auxiliary, Extension Club and belonged to several Bridge Clubs. Her passions were her faith, painting, drawing, writing poetry and assisting John with numerous projects. Orpha's greatest joy was loving her family and being with them.

She is survived by three sons and daughters-in-law: Jay & Linda Leibel (Madison, SD), Alan & Kay Leibel (Winnsboro, TX), Kent & Vickie Leibel (Brookings SD); two daughters and sons-in-law, Becky & Pat Lockwood (Brookings SD) and Kathy & Jeff DesLauriers (Sioux Falls SD); 10 grandchildren, Josh (Priscilla) Leibel, Kylene Leibel (Andy) Casanova, Garrett Leibel, Reed Leibel, Jasper DesLauriers (Travor) Diegel, Paige Lockwood (Matt) Jones, Charlie Leibel, Danica DesLauriers, Jena Lockwood and Davis Lockwood, four great grandchildren Rhea Diegel, Bennett Jones, Jameson Leibel and Bryn Diegel; nieces and nephews of the Dunlap family, Marla

Adams, Mark Dunlap, Laurie Johnson, Shawn Dunlap, Lisa Parsons and their families.

She was preceded in death by loving husband, John; infant daughter, Beth; parents, Matt and Olga Sandbeck; sister, Ione Dunlap and grandniece, Erin Dunlap Mathews.

Condolences may be sent to the family through www.rudesfuneralhome.com

Donald Cross

After an 86-year ride, Donald Cross tips his Stetson and bids farewell to a rich and vibrant life. A true gentleman in every sense of the word, he possessed a rare combination of humility, modesty and respect for all. Donald will be remembered most for his deep love and devotion to family, community and adventure.

Brewer, hotelier, and rancher, Donald led the family businesses with determination and a strong desire to preserve the Cross legacy. Many historic

Alberta organizations benefited from his thoughtful leadership, best illustrated by his half-century commitment to the Calgary Stampede. He was a true Canadian patriot with deep roots in Southern Alberta and his love for the land was ingrained in his DNA.

The outdoors was his playground: hiking, skiing, telemarking, kayaking, polo, fly-fishing, and exploring the back country. Most of all, he loved his daily walk at Bar Pipe with his beloved Bernese by his side, admiring the Hereford cattle with the Rockies in the backdrop.

His strait-shooting, no-nonsense talk was his hallmark. In true western spirit, Donald epitomized the phrase, "talk less and do more." This rare quality endeared him to people from all walks of life.

Above all, Donald was a true family man. He enjoyed an amazing 60-year partnership with his loving wife Shan and together they travelled to every corner of the globe, all the while fos-

tering lifelong friendships and connections. They were the consummate hosts, and Donald always greeted you with dapper style and a frosty ale in hand. As a role model to his four children and grandchildren, he passed along his thirst for knowledge and nurtured each of their unique paths.

Donald will be deeply missed by his wife Shan, his sister Nan, his four children Pam (Hector), Gretchen (Bob), Jay, and Jill (James) and four grandchildren Alexandra, Stephanie, Andrew and Emma.

The family would like to thank those who touched his life, especially his long time devoted caregivers, Debbie and Sylvia, and the medical community who were pillars of support over the past few years.

In lieu of flowers, memorial tributes may be made to the Hotchkiss Brain Institute's Brain Bank. Cheques must be made payable to the University of

As Donald would say, happy trails!

Karen Gibson

Karen Gibson, 75 of Sutherland, NE, formerly of Wallace, NE, passed away Saturday, December 8, 2018, at the Sutherland Care Center.

Karen was born March 21, 1943, in Omaha, NE and was adopted by Ben and Mamie (Lashley) Merrill in 1949, they lived in Hayes Center.

In 1954 the family moved to Mt. Grove, MO. After a few years and a drought, they moved to Grafton, NE.

Karen attended Wallace High School and graduated in 1961 and went on to College at Kearney State. Later, she taught at a country school near her home north of Wallace.

On February 3, 1963, Karen married her high school sweetheart Larry Gibson and raised three children. They lived on a ranch south of Wallace.

Karen worked for the Wallace Grain Elevator and helped her husband on their Hereford ranch. Karen enjoyed painting, sewing, and growing flowers. She was a member of Christian Women's Club, Nebraska Hereford Auxillary, and Pinochle Club. She was active in her church and played organ/piano for many years at Faith Lutheran Church in Wallace.

Karen was preceded in death by her parents, Ben and Mamie Merrill; three brothers, Jerry Merrill, Ronnie Wickwire, Arthur Wickwire; and one sister, Sandy Otto.

Karen is survived by her husband, Larry; daughter, Tammy (Mike) Holibaugh of Oberlin KS; two sons, Jerry (Linda) Gibson of North Platte and Brian Gibson of Grand Island; sister, Deb (Rick) Zastera; and three brothers, Larry (Cindy) Kelly, Gayle (Marilyn) Kelly, and Terry Kelly; and ten grandchildren and eleven great-grandchildren.

A memorial has been established in her memory for later designation by the family. Condolences can be shared online at bullocklongfuneralhome.com.

Marcia Gae (Novich) Gibson

Marcia passed away on December 9, 2018 after a short battle with cancer. Marcia was born on July 24, 1946 in Whitehall, MT to Steve and Margaret Novich. She was later joined by her three brothers Thomas, Steve (John) and Donald (Frank).

Marcia attended and graduated Twin Bridges High School in 1964. Marcia spent her youth working on the family ranch doing everything except feeding the chickens. Because of an altercation with a rooster at a young age she was deathly afraid of birds. In the summers during her high school years she

worked the horse shows at the Madison County Fair. After graduation from high school she spent some time working for the sheriff's office in Virginia City and the library on the campus of the University of Montana in Missoula.

She returned to Twin Bridges area and receive her bachelor's degree from Western Montana College. While at Western she met her husband of 48 years, William (Bill). They were married on July 11, 1970 and soon had two sons, Travis and Trenton.

Bill and Marcia spent a few years in Harrison, MT where Bill taught school and coached. In the early '80s they moved back to Twin Bridges where they made their home.

Marcia spent the next 23 years working for the Twin Bridges School District. Upon retirement she spent countless hours at the museum in Twin Bridges and working on history books of Twin Bridges, the town of Rochester, and the Montana Children's Center.

Marcia enjoyed art in all forms, spending time painting, making pottery, sewing and quilting. She made quilts for all six of the grandchildren, with the granddaughters having their own "bug." One of her biggest joys was traveling to watch her grandchildren in either sports or dance.

Marcia was preceded in death by her parents, Steve and Margaret Novich; her brothers, Thomas Novich, Steven John Novich, and Donald Frank Nov-

ich; her aunt, Judith Marceau; uncles, Pete Novich, and Dan Novich; and aunt, Lucille Novich.

Marcia is survived by her husband of 48 years, William; sons, Travis (Ryann) and Trenton (Sarah); grandchildren, Peter, Jack, Tyler, Bryanna, Adryana, and Aspen; and numerous aunts, uncles, and cousins.

In lieu of flowers a memorial to the Twin Bridges Historical Association or the United Vets in Marcia's name.

Gertrude Kooiman

Gertrude (Vliem) Kooiman was born on April 23, 1917 to Gerrit and Jennie (Beld) Vliem in a sod house. She was the second of eight children. She attended grade school at the Bealer (SD) country school for eight years.

Gert's mother died when she was 11 years old so she took over the mother role in their home at a very young age. That loving family responsibility carried on throughout her whole life. She loved and cared for her own kids, grand kids, great grand kids, neighbor kids, other family member's kids and even kids that didn't fit in any of these categories. All were welcome in her home.

While still young, Gert helped at neighbors cooking, cleaning and babysitting for room and board and small pay, all to help feed family at home.

*Topp
Herefords*

A Common Sense
Approach to
Genetic Excellence

- » **Sound, dependable, proven genetics for commercial programs**
Progressive, no-nonsense approach produces genetics that are deep, balanced and high quality—in large contemporary groups.
- » **Real-world data**
Fed cattle performance data, direct feedback from semen companies and documented results from clients to guide breeding decisions to what is making money in commercial production.
- » **Large numbers of ET and AI siblings for consistency**
- » **Wintering and delivery options**
- » **Feeder calf marketing programs**
Capture the added value of your calf crop through Topp Herefords alliance programs.
- » **Replacement heifer solutions**
We'll help market your baldy heifer calves and source black replacement heifers AI-bred to Topp Herefords bulls for you.

Designed by AgTown.com

We want to improve
the profitability of
your ranch.

BW 4.5 WW 66 YW 113 MM 21 M&G 54 REA .30 MARB .01

Dam to 48F—TH 432Y 0220 LORETTA 39B

Every herd sire begins
with a powerful mother.

Topp Herefords—Crossbreeding Solutions

- » Topp Herefords makes crossbreeding easy—consistently improving net profits in commercial Angus herds. On average, commercial Angus herds can expect a 5 percent increase in weaning weights from heterosis. If the average cow raises seven calves, that's an additional \$248 in gross revenue. Multiply that by a herd of 250 cows and you are adding \$62,000 to the bottom line without additional inputs. Can you afford not to crossbreed?
- » **Curious about how other cattlemen are making crossbreeding work at scale? Call Topp Herefords, 701.674.3152.**

Give us a call—
Let Topp
Herefords work
for you!

HEREFORD SOCIAL and DINNER
WEDNESDAY EVENING JANUARY 23rd
AT THE FAIRGROUNDS

She traveled to Minnesota during the Depression years and worked for a doctor. When WW II broke out, she returned to Lodgepole, SD to help her dad on the farm and to care for her invalid brother until he died.

On November 22, 1943 she married her best friend, Anthony Kooiman, while he was home on furlough from the army. She spent one month with him at a Pennsylvania Army Base before he was shipped overseas. It was October of 1945 before she saw him again. Tony was with the 5th Armored Division and was in many battles such as the Battle of the Bulge. She remembered not hearing from him for weeks and wondering if he would return. She wrote many letters to him and to others to help keep them going with news from home.

When Tony returned from WW II the two of them bought the Kooiman farm from Tony's dad, where they raised cattle and pigs, and milked cows to sell cream for expenses and food. While there, they had three children, Darryl, Lauren and Beverly. Later they bought the Lubbers place southeast of Lodgepole, which had been homesteaded by Gert's aunt. There they raised cattle, sheep, hay, and crops. They lived there together loving, working and enjoying neighbors, family and friends, until May 2008 when Tony died at home. She remained there at home until fall when she was stranded there during

a blizzard. Gert and one of her best friends, Jenette Poelstra, were without electricity for several days. After that she moved to her daughter Bev's home south of Prairie City, SD. There she spent almost 11 years loving and caring for her grandchildren and great grandchildren and just being a good neighbor to a multitude of visitors.

She belonged to the Christian Reformed Church and was an active member and taught Sunday School, Bible School and catechism classes. She quilted at church and at home, giving countless block quilts to others. Who knows how many covered hangers she made but anyone who visited her probably has one. She greatly enjoyed her grandchildren and great grandchildren, teaching them to pray, love Jesus, and be honest, loving, and kind. She spent hours reading to all of them.

Gert wrote in her diary: "I want to be remembered as a loving wife and a faithful follower of Jesus Christ. Jesus is my Lord and Savior, God Bless us all." — Signed Mom

Gertrude passed away on Saturday, December 8, 2018 at her daughter Bev and Iver Heier's ranch south of Prairie City, SD.

Grateful for having shared in her life are her son, Darryl (Rose) Kooiman, Lodgepole, SD, daughters, Lauren Kooiman, Marysville, WA and Beverly (Iver) Heier, Prairie City, SD, three grandchildren, Sarah (Mark) Porter, Dickinson, ND, Jennifer (Tyler) Mick-

elson, Mandan, ND and Amanda (Eric) Schuchard, Prairie City, SD, seven great grandchildren, Avery, Brooklyn, Will, Kiley, Jarett, Jozi and Reave, three sisters-in-law, Dorothy Vliem, Lodgepole, SD, Betty Vleim and Gladys Vliem, both of Hettinger, ND.

Gertrude was preceded in death by her parents, Gerrit and Jennie Vliem, her husband, Anthony "Tony" Kooiman, seven siblings, Art and Ethyl Vliem, Frank and Arlene Vliem, Henrietta and Arnold Lefebre, Harold, Alfred, Albert and James Vliem and one grandson, Daniel Kooiman.

Crays Named Outstanding Hereford Woman of the Year

Sheila Crays, Tobias, NE, was honored as 2018 Hereford Woman of the Year. Pictured (left to right) are Linda McKay, Sheila Crays and Stephanie Jensen.

KANSAS CITY, MO — Sheila Crays, Tobias, NE, was honored as Hereford Woman of the Year during the National Hereford Women (NHW) annual meeting in Kansas City, MO. The award is presented each year to a noteworthy member of the NHW to commemorate her achievements, leadership, promotion and dedication to the Hereford breed.

A dedicated member of the NHW since the early 1980s, Sheila has volunteered countless hours of her time supporting the membership and improving the or-

ganization. She served on the Nebraska Polle-ettes board for many years as the secretary/treasurer and vice president and was the queen chairman for four years. She supported all three of her daughters — Stephanie, Linda and Clara — during their reign as Nebraska Pollette Queen as well as Clara's reign as National Queen.

Sheila's love for Hereford youth and the breed prompted her to serve as the state adviser for several years with her

husband, Don. A talented cook, she always made the Nebraska Junior Show's Friday night meal enjoyable by making and donating sloppy joes. Her organizational skills ensured the weekend's programs and events ran smoothly.

Additionally, Sheila's work in helping prepare and decorate the banquet hall of the hospitality booth at the 1990 National Junior Polled Hereford Show made the event successful. She continued assisting with the hospitality booth at the 2012, 2014 and 2018 Junior National Hereford Expo (JNHE).

Still strong supporters of the Hereford breed, Sheila and Don can be found attending sales, tours and fairs in Nebraska and Kansas. Sheila enjoys watching her grandchildren show and compete in activities, and she always has her camera ready to take pictures of all the action. Sheila and Don attended JNHE in Grand Island, NE, this year to watch their grandchildren compete in various events. They enjoyed reconnecting with friends of the Hereford family from across the United States and look forward to staying involved in the years to come.

"Sheila Crays is very deserving of this award," says NHW board member Trudy Nolles. "She is a dedicated individual for the Hereford breed and to the Hereford family. Sheila is always willing to lend a helping hand no matter what the event is."

National Hereford Feedout Report – 2018 Feeding Period*By Tom Granzow*

The Kansas Hereford Association sponsored another National Hereford Feedout at Lincoln County Feeders, near Stapelton, NE that began in December of 2017 and ran through August of 2018. The results of this test were about as predictable as the rest of agriculture in 2018. Problems with weather, markets, and the general temperature of the cattle and beef market all contributed to a topsy turvy time. More about that later.

Our numbers were up this year compared to the year before. We finished 229 steers this year and they came from the following producers; Bookcliff Herefords, Russell, KS, Gustafson Herefords, Junction City, KS, Shumaker Polled Herefords, Wetmore, KS, KEG Hereford Ranch, Valentine, NE, Baker Herefords, Rosalia, KS, Dr. Joe Butler, Valentine, NE, Brad & Dixie Hollenbeck, Thedford, NE, Jerry Warren, Mullin, NE, Granzow Herefords, Herington, KS, Mickelson Herefords, Lyndon, KS, John & Jason Gustafson, Junction City, KS and Ray Allaman, Junction City, KS. Thank you to all of these breeders for their participation. They garner a lot of information about their own cattle and get to compare notes with the other folks involved to figure out where they can improve their

herds and the breed as a whole. It helps us show the industry what Herefords can do in the real world, thus enhancing our marketing efforts and proving the worth of Herefords.

With all the trials that went with feeding this year, the numbers were skewed a bit, but let's see what they were. Just how did we do and where do we stack up against the industry norms. Remember, we used fewer implants than the norm and we are working mostly with calf feds, not the norm in the industry, as most feed yearling cattle. Our calves had an average number of days on feed of 229 (way too many) with a range of 205 to 247. In the performance traits, our average daily gain was 3.07 with a producer range of 2.68 to 3.25. These gains are down from last year, quite significantly. Both from the range and from the average.

The Kansas Yard Average for the same feeding period was showed an average daily gain of 3.53, up from a year ago while the yard average days on feed was 169. As you can see, our gains were down more than the yard averages, and our days were significantly higher. Not good when looking for a profit.

In pounds of feed per pound of gain, a really important profit maker, the Hereford calves consumed an aver-

age of 6.48 pounds of feed per pound of gain with a range of 5.07 to 8.38. This is on a dry matter basis. The Kansas Yard Average for the same period was 5.98. Our cost to put on a hundred pounds of gain was \$84.75 with a range of \$64.00 to \$117.00. The Kansas Yard Average at the same time was \$76.56. Here again, in 2018, we lost ground in the most important trait in profit, feed efficiency and cost of gain. More on that later.

How did we do when it came to the final product. This is something we have always taken a lot of heat about, deserved or not. In all my years of feeding cattle and working in that area, it always seemed that Herefords were taking a bit of a rap on that. It seemed that the way the feedyards and packers were managing the Herefords had more to do with some of those contrived facts, more so than the Herefords themselves. Well, now we are proving that we can take the longer feeding period when forced to and still hang up an industry valued product.

The average slaughter weight on these calves was 1386 pounds, up a little from 2017 with a range of 1104 to 1574. This compares to 1366 for the Kansas Yard Average, pretty insignificant, except that we had more

carcass weight average was 862.58 with a range of 748-930. Very acceptable. This made our dressing percent come in at 63.5%. That's without beta blockers. Once again, excellent for the industry. Our average Yield Grade was 3.28 with a range of 2.9 to 3.6. Real darn good again.

In the actual carcass data, the NHF calves did very well. Our average marbling score was 5.62. There was a big range in that area with one calf being an 8 and a low of 3.5. Backfat measurements averaged .62 in a range of .53 to .74. The Rib Eye Area measured average was 14.26 sq inches in a range of 12.9 to 15.7. These calves showed well for the most part in the muscle phase and overall graded 72% Choice, 1% Prime and 26% Select.

Now, what do we make of all this in a year that has, at best, been hard to track and figure anything out in the feeding and packing industry. It's easy to figure out that the feed yards and packers seem to want quality carcasses and the cost of getting there doesn't seem to matter. It's also easy to see that we as producers are being asked to give them that carcass merit, but at what cost? Since we have been doing this for quite a while now, let's just see if we can figure this out.

Just in the last three years we have added over 50 days to the feeding period on calves that are pretty much from the same producers that have been

sending cattle to the national Hereford Feedout since it was started. Have the cattle changed?? We certainly see better carcass numbers and our percent of cattle grading Choice has gone up, but not a great amount, about 10% overall, some more some less.

After looking at the historical numbers from our feed lot trials, this gets to be a little disturbing. Has the Hereford breed lost our uniqueness of being efficient in the pasture and also in the feed yard? Of course not. Has our carcass merit improved? Yes, it has. The data shows that we can still be profitable and do all the production things very well, all the way from the calving pasture to the dinner plate, and we can do it better than anybody. Period.

So what changed? It seems to me since we started finding chemicals and feed additives to do the carcass work for us, then the feeding industry and packing industry has decided that they can make a product that is just as good or better than ours, even if it takes more time in the yard to do that. And it is a win/win for them. They get a desirable end product to sell and the feed yards get more days in the "hotel." And they seem to think they can do this with or without the high quality genetics that ranching families have built for generations. The hard work of improving beef genetics that are sound and repeatable seems to be lost on the keepers of the final product. Any means to an end? As Hereford breeders, if you are feeding

out your own calves, you better have a market secured or sell on the grid when you want to sell, not when they tell you to. It may be the only way we get paid for the hard work we do.

Looks to me like as Hereford breeders, if you are feeding out your own calves, you better have a market secured or sell on the grid when you want to sell, not when they tell you to.

What has been noticeable is that with the longer feeding period, our feed efficiency advantage as compared to the industry has narrowed and this year we actually lost ground to the industry. That can be debated as to calf feds versus yearlings and the weather variations that were encountered this year in the cattle feeding area of western Kansas and Nebraska. I will give you that, but I also need to ask is the Choice premium worth losing the 17 to 20 percent advantage we have had over the last several years in cost of gain and feed efficiency?

My pencil isn't always real sharp, but it doesn't take me long to note that an extra 50 days on feed at \$2.94 per head per day will eat up a Choice premium pretty darn quick. Our NHF calves over the years have been finished in June and early July and graded 68% Choice. The last few years we have been going into late July and even late August this year and get to 72% Choice. Is it worth it? But, then again, I guess when over 90% of the cattle on feed are hedged and owned by investor groups, what difference does it make across the in-

dustry if a few breeders want to try and do it right. Are we trying to go down the same road as the swine and chicken folks? Hope not.

Because of the current nature of the feeding industry and so many things being up in the air, the Kansas Hereford Association has decided to not offer a National Hereford Feedout for the time being. We want it to be timely and a tool for enhancing the profitability of the cattle involved, not a slave to the industry. We are looking into doing it again in the future for sure, but we really want to be able to offer something that can be more relevant to the breeders involved.

I want to once again thank the breeders that participated in this trial. These breeders placed cattle that represented different sire groups, and all different bloodlines from the Hereford breed, both Horned and Polled. They truly represented a cross section of our breed and the results are relevant to everyone. There were no judges or ribbons, just some really good ranching families putting their genetics out to work in the real world. And the numbers aren't fabricated or made up with a formula. They are just down to earth real numbers that mean the difference between profit and loss to the breeders involved. I wish the results would have been better for everyone involved, but we all learned more about our cattle and the present workings of the industry. Thanks again.

WISHING EVERYONE A PROSPEROUS NEW YEAR!

- 11 consecutive growth years in pounds sold and carcasses certified
- More pounds per capita of Hereford Beef is sold in this region (retail and restaurants) than anywhere else in the US. Go local.

Courtesy of Van Newkirk Herefords, Oshkosh, NE

The Best Hereford Beef Can Now Be Found Local

Each week, we buy corn fed finished cattle primarily in this region. However, we reach beyond the strike zone to find the best Herefords wherever they might be fed in the Midwest. Even after we've concluded our normal weekly trade, we are never too full for Herefords and Baldies. We are always in the market to buy finished Herefords and we offer a \$25 premium per head for Hereford program qualifiers. If you'd like your finished calves in our Hereford program, we can introduce you to partner feed yards who custom feed or who buy Hereford and Baldie calves. Whether you want to market your feeder calves or retain ownership, let us help you direct your load lot Hereford influenced feeder cattle into our primary trade area.

The NDHA sponsors a free CHB lunch prior to the sale and the Junior Assn holds a silent auction. LaMae Turk and Kasi Holm taking care of their auction and helping out. Also, thanks to Larissa Tessier for helping out with the lunch.

South Dakota Hereford Association Annual Meeting and Award Winners

SDHA Seedstock Producer of the Year was Frederickson Ranch, Spearfish, SD. AHA President Pete Atkins from Tea, SD presented the award to Nate and Jayna Frederickson and their sons Teegen and Tiernan. The family along with Nate's parents Mark and Mary Kay run 450-500 head of registered Hereford, Angus and commercial cows which are used in their ET program. Nate is also an AHA board member.

SDHA Commercial Producers of the Year was awarded to the Uttecht family of Woonsocket, SD. Pictured are (left to right) Darin and Tangela, Carol Ann and Ronnie and Weston and Allison. The Uttechts run about 270 commercial cows and have raised cattle for more than 50 years. The family-owned farm northeast of Woonsocket consists of over 3700 acres specializing in cow/calf, backgrounding and grain.

Enthusiast of the Year was Ryan Ollerich. He was recognized by SDHA manager Jeanne Johnson for his work helping organize the Junior National committee for South Dakota last summer.

Art Handel was recognized as the SDHA Honoree for 2018. Matt Knock, SDHA board member made the presentation. Art has worked tirelessly for the Hereford industry for over 54 years and 3 million miles.

SDHA Board — Pictured left to right, Ryan Ollerich, Matt Zens, Matt Kock, Danny Fawcett, Reese Wagner, President Seth Silverberg, Manager Jeanne Johnson and Vice President Lori Peskey.

South Dakota Hereford Heifer Grant Winners — This year the SDHA was able to award a record number of heifer grants. These grants were used toward the purchase of a heifer in the SD Excellence Sale this year.

South Dakota Hereford Association Banquet and Sale

Faces of Leadership — Sydney Dvorak, Ivan Blume and Chesney Effling attended the National Junior Hereford Association's Faces of Leadership conference last summer. Chesney had a very informative speech about their trip to San Francisco and the surrounding area.

Minnesota girls Halle Walsh, Hannah Neil and Mallory Carlson, who all go to South Dakota State University, helped out at the SDHA banquet and sale.

View of the sale ring at the SD Excellence Sale. In the ring are Phil and Tim Eggers.

Erik Scott and Phil Eggers helped the McCrossan boys put the final touches on their sale animals.

Troy Geis, Director of Admissions and Equine Services at McCrossan Boys Ranch brought a group of young men to the Excellence Sale on their first outing as consignors. McCrossan Boys Ranch is known for their draft horse hitches but recently got into the Hereford business through a Farm Bureau grant. They were able to buy females from Eggers, Sleepy Hollow, Simmermon, Bruce Anderson, Blume, Delaney and others. Troy is doing a great job with these young people.

Brooke & Kalen

Brooke R. Jensen and Kalen D. Cromwell were married August 25th, 2018 at First Lutheran Church, Manhattan, KS. Following the ceremony, the reception was held at the Houston Ballroom.

The bride is the daughter of Kevin and Sheila Jensen, of Courtland, KS. Brooke graduated from Kansas State University with a bachelors in AgriBusiness and a minor in Animal Science. Following graduation she started her career at Cargill Protein, Wichita, KS, as a Value Added Retail Marketing Associate.

The groom is the son of Kevin and Jody Cromwell, of Haddam, KS. Kalen graduated from Kansas State University with a bachelors in Agricultural Economics with an Agronomy specialty. He is now the office manager of Farmer's Cooperative of Belle Plaine, Kansas.

The couple now resides in Haysville, KS and is looking forward to enjoying their honeymoon in St. Lucia in mid-December.

Minnesota Hereford Queen

Hannah Kruse is the new Minnesota Hereford Queen.

Hereford Youth Recognized in National Junior Hereford Association Fed Steer Shootout Contest

KANSAS CITY, MO — In its second year, the National Junior Hereford Association (NJHA) Fed Steer Shootout presented 19 awards to 15 Hereford youth.

“We are excited to award these Hereford youth who participated in the 2018 NJHA Fed Steer Shootout,” says Trey Befort, AHA director of commercial programs. “The program doubled in size in its second year, and we expect the program to continue to grow and give junior members an opportunity to gain valuable industry experience. Growing involvement in programs such as the Fed Steer Shootout is a great testament to the energy around the Hereford breed in the commercial industry, as well as the investment being made to advance youth programs.”

This year, 37 youth from 13 states entered 149 steers in the Fed Steer Shootout program. Contestants have the opportunity to collect actual feed yard performance and carcass merit data during the contest, ultimately

learning about the importance of ultrasound technology, genetics and health. All steers were fed at Gregory Feedlots in Tabor, Iowa in partnership with David Trowbridge and the Gregory Feedlots.

BioZyme Inc. and the Hereford Research Foundation sponsored \$10,000 in cash awards and Anderson Bean Boot Company provided handcrafted boots for the winners. Endovac Animal Health, UltraInsights Processing Lab, Inc., Geneseek, Allflex USA and Zoetis Animal Health also sponsored the program.

This year’s award winners are as follows:

Champion Purebred Pen of Three, Group One — Molly Biggs, Dixon, IL

Reserve Champion Purebred Pen of Three, Group One — Austin Folkman, Ixonia, WI

Champion Purebred Pen of Three, Group Two — Wyatt Johnson, IA

Reserve Champion Purebred Pen of Three, Group Two — Lydia Shaw, ID

Champion Purebred Individual, Group One — Macy Reed, MO

Reserve Champion Purebred Individual, Group One — Macy Reed, MO

Champion Purebred Individual, Group Two — Cierra Collins, OK

Reserve Champion Purebred Individual, Group Two — Tava Gustafson, KS

Champion Commercial Pen of Three, Group One — MacKenzie Trowbridge, IA

Reserve Champion Commercial Pen of Three, Group One — Trevor Johnson, SD

Champion Commercial Pen of Three, Group Two — Hannah Williams, Neb.

Reserve Champion Commercial Pen of Three, Group Two — Ben Ridder, MO

Champion Commercial Individual, Group One — Emily Cranwell, KS

Reserve Champion Commercial Individual, Group One — Hannah Williams, NE

Champion Commercial Individual, Group Two — Mark Haygood, TX

Reserve Champion Commercial Individual, Group Two — Hannah Williams, NE

Overall Champion, Group One — Regan Carlson, MN

Overall Champion, Group Two — Hannah Williams, NE

Junior of the Year — Tate Johnson, SD

Hannah Williams from Nebraska won multiple awards in the Hereford Steer Shootout including Overall High Placing Steer, Champion Pen of Three Commercial Steers, Champion and Reserve Individual Commercial Steers.

Tate Johnson from South Dakota was named Junior of the Year!

Trevor Johnson from South Dakota won Champion Pen of Three Commercial Steers.

Macy Reed from Missouri had Champion and Reserve Champion Individual Purebred Hereford Steer in Group One.

Tava Gustafson from Kansas won Reserve Champion Individual Purebred Hereford Steer in Group Two.

Congratulations!

Fed Steer Shootout Gears Up for 2019 Contest

Up almost 60% from last year, 238 steers from 13 states are set to be on feed for the National Junior Hereford Association (NJHA) Fed Steer Shootout.

238 steers from across the nation made their way to Gregory Feedlots Inc., Tabor, IA last week to be entered into the contest.

The program, in its third year, focuses on youth education and industry experience through commercial cattle feeding, industry technology and performance measures such as feedlot and carcass merit.

The Fed Steer Shootout was designed to provide junior members with real-world experience and education. Educational events such as webinars and open house field days are hosted throughout the contest.

BioZyme® Inc., longtime supporter of Hereford youth, announced its commitment to educating youth in agri-

culture with a \$30,000 contribution to the Fed Steer Shootout through the Hereford Youth Foundation of America (HYFA) and BioZyme's Feed the Future Program during the American Hereford Association (AHA) Hereford Honorees Program Oct. 26.

The new partnership will allow the NJHA to incorporate more educational components into the program. In addition to the existing webpage and webinars offered to youth, participants can now learn from a series of educational e-blasts and curriculum. A Facebook group has also been created to update youth and their parents on the activities taking place at Gregory Feedlots.

The contest would not be possible without the following sponsors: Gregory Feedlots, Inc., BioZyme Incorporated, GeneSeek, Allflex, UltraInsights Processing Lab Inc., Zoetis, Hereford Research Foundation and Endovac Animal Sciences.

The next portion of the contest will take place on Dec. 10 when all 238

steers will be sorted, worked and ultrasounded for carcass data.

"Proof is in the Performance"

Hereford Breeders Honored for 50 Years in the Business

KANSAS CITY, MO — In celebration of 50 years in the Hereford business, 12 Hereford breeders were recognized for their commitment as Golden Breeders on Friday, Oct. 26, during the American Hereford Association (AHA) Hereford Honorees Reception in Kansas City, Mo.

This year's Golden Breeders are:

- Boettcher's Brookview Acres – Clarence and Maryellen Boettcher, Fairchild, Wis.
- Simpson Polled Herefords – Mike and Becky Simpson, Redfield, Iowa
- Bill King, Moriarty, N.M.
- Valley Creek Ranch – Scott and Judy McGee, Fairbury, Neb.
- Morgan and Morgan Polled Hereford Farm, Alvaton, Ky.
- McDonald Polled Hereford, Jane Lew, W.Va.
- KLS Farm – Kevin and Kathy Stork, New Richmond, Wis.
- Baker Polled Herefords – Paul and Sylvia, Elkhorn, Wis.
- Marshall and Linda Walker, Los Molinos, CA
- Lamar Polled Herefords – Emmett and Margaret Langness, New Richmond, WI

"It is impressive to see the number of Golden Hereford Breeder award recipients. This award is an immense achievement as a cattle producer," says Shane Bedwell, AHA chief operating officer and director of breed improvement. "The AHA commends the dedication and longstanding passion of these families within the Hereford breed."

Boettcher's Brookview Acres

Clarence and Maryellen Boettcher
Fairchild, WI

Clarence bought his first polled Hereford in 1967 and joined the Association in 1968. Butch and Maryellen were married in 1972 and raised four children: Tiffany, Brandon, Garritt, and Mi-

chael. All participated in 4-H, FFA, junior Hereford associations, graduated college with agriculture degrees, and still own Herefords originating from their junior projects.

Their mission is to produce, "performance cattle with eye appeal," and strive to accomplish their goals by selecting structurally correct, functionally sound, cattle with balanced expected progeny differences (EPD) with the ability to generate profits for all segments of the beef industry.

Simpson Polled Herefords

Mike and Becky Simpson
Redfield, Iowa

Mike and Becky got their start in the Hereford cattle business at a young age. Both had the great fortune to exhibit and be around several state and national champions. Mike was an employee of the American Polled Hereford Association (APHA). His most notable achievement was developing the National Junior Polled Heifer show and forum. While working at the APHA, he met his wife, Becky, who was a writer for APHA and *Polled Hereford World*.

The Simpson herd has been developed with performance as the top priority. Their major focus is on calving ease, low birth weights and high growth traits. The Simpson herd is recognized as a Gold Whole Herd Total Performance Record (TPR) breeder and have had several Dams of Distinction in their bloodlines.

Bill King

Moriarty, NM

Bill King started his Hereford herd in 1968 as a junior in high school with the purchase of three heifers from Marshall Sellman. Over the years he has grown his herd to more than 400 head of registered Hereford operation, along with an extensive Charolais and Angus seedstock herd. He sells 400 to

Becky and Mike Simpson with AHA President Kevin Schultz

500 hundred registered bulls annually, private treaty around the country and internationally.

A past president of the AHA board of directors, and currently is a member of the Legacy Foundation board. Bill has served the cattle industry on many other boards, including president of the New Mexico Cattle Growers Association, President of the NM Livestock Board, Executive board of the Texas Cattle Feeders Association, and NCBA Regional Vice President. In 2016 the US Secretary of Agriculture appointed Bill to the Cattlemen's Beef Board where he is still currently serving. Today he and his family continue the business and hope to stay in the cattle business for the next 100 years.

Valley Creek Ranch

Scott and Judy McGee
Fairbury, NE

Located south Fairbury, NE, Scott has been raising Herefords for as long as he can remember. 2018 marks 50 years that Valley Creek Ranch (VCR) has been in the registered Hereford

business. VCR has exhibited on the local, regional and national levels for many years. VCR is a family run operation that now spans five generations. The ranch utilizes AI, embryo transfer and welcomes visitors to stop by and view the breeding operation anytime.

Morgan and Morgan Polled Hereford Farm

Alvaton, KY

Since the purchase of his first Polled Hereford cow in 1952, Robert Morgan of Morgan & Morgan Polled Herefords, has continually raised quality purebred polled Herefords in south-central Kentucky.

Throughout the years, he and his sons, Shannon and Nathan, competed in local, regional and statewide shows; raised Dams of Distinction recognized by the American Hereford Association, and marketed and sold thousands of head of Polled Hereford cattle across Kentucky, Tennessee and several other states.

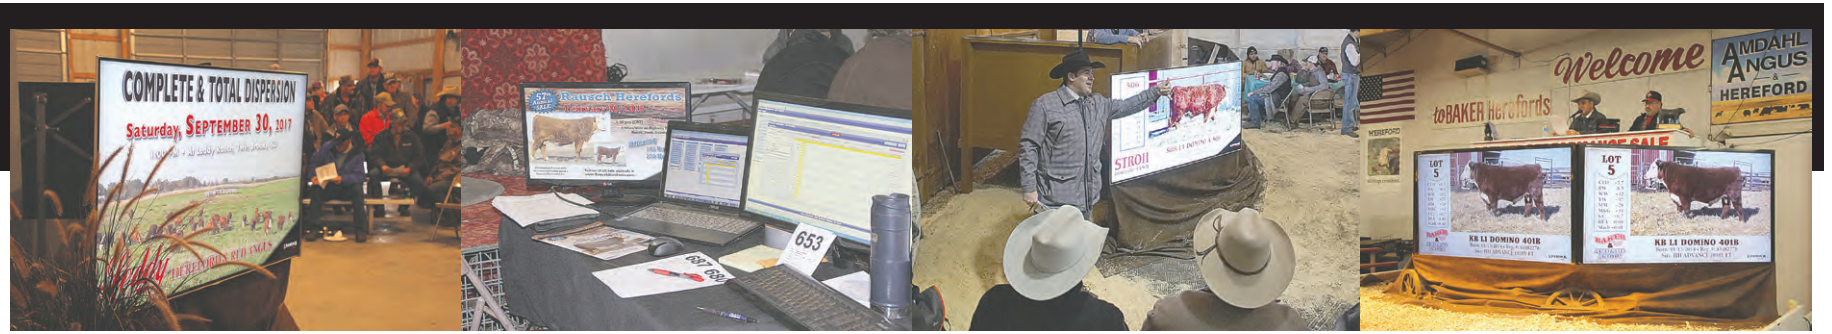

(continued on page 66)

Maryellen and Clarence Boettcher with AHA President Kevin Schultz

Bill King and his daughter Becky King-Spindle with AHA President Kevin Schultz

Hereford Breeders Honored for 50 Years in the Business

Judy and Scott McGee, Valley Creek Ranch with AHA President Kevin Schultz

Kathy and Kevin Stork, KLS Farm with AHA President Kevin Schultz

(continued from page 64)

Today's cow-calf operation — some 66 years later, consists exclusively still of nearly 200-head of purebred Polled Herefords.

McDonald Polled Herefords

Jane Lew, WV

Mike McDonald, McDonald Polled Herefords, Jane Lew, WV, has been raising Herefords since he was 9 years old. His father William P. McDonald, Jr. and his grandfather Paul purchased the local late O.L. Allman Hereford operation in 1967, registering their first calf in 1968, the WPM prefix was born. Mike started showing 4-H Hereford steers later that year and has been active in the Hereford business for the last 50 years.

The McDonald Family has always loved Hereford cattle and enjoy pro-

moting them as a breed. Bill was active in helping get the West Virginia Polled Hereford Association started in the late '60s. Today, Mike continues to help the association and serves on their Board of Directors. His most active support is assisting many local breeders to market their Hereford influenced calves and supporting the Certified Hereford Influence feeder calf sale in Stanford, KY, by getting a pot load of calves each year for the last several years.

Mike and his companion Becky greatest love is helping the grand kids become involved in the Hereford business. From teaching them the everyday activities and duties of beef cattle farming, to assisting them to participate in the last five Junior National Hereford shows.

KLS Farm

Kevin and Kathy Stork
New Richmond, WI

Kevin started with his first Polled Hereford steer in 1965. He showed him in 1966 and sold him that fall for \$0.25/lb. Kevin's dad bought him two registered bred heifers and that was the start of the herd. In 1968 the APHA changed the A.I. rules and breeders could register 5 calves per year by A.I., they were afraid that A.I. would wreck the bull market.

In 1973, they showed the Grand Champion Bull at the Wisconsin and Minnesota State Fairs. The bull, Banner Diamond, elevated his show career by being a class winner in Denver with four Beartooth Ranch bulls in the class. That was the highlight of Kevin's early show career.

Today they have 40 registered Polled Hereford cows and 30 Angus cows. They continue to A.I. for progress. Many things have changed, but good, productive, functional cows that are eye appealing are what they seek.
