## Editorial Comments...

**Jill Bayers Hotchkiss**

Jill Hotchkiss

I'd like to wish my Dad a happy 84th birthday on the 9th of this month! We are giving him a pass on editorial writing this month

but he will be back next month with another good one!

Well, it *continues* to be "one of those winters" as far as weather is concerned and it isn't just our area. The entire nation has experienced severe cold, wind and snowy conditions even into Texas. Our California friends might be the only exception. We continue to get record-setting wind here with gusts up to about 60 mph along with sub-zero temperatures. It makes you realize just how tough the livestock are and thankful we have modern conveniences that allow us to get around in this kind of weather, feed the cattle and horses, keep machinery warm enough to operate and stay warm in our houses. Living on an old homestead site I often wonder how those homesteaders lived through winters like this let alone had anything left in the spring in terms of livestock. My office window looks out on an old homestead site that was built into a dry creek bank. Ironically it is also an area that still has a snow drift on it from the October storm. I'm guessing that might have served as a summer house or root cellar. The other site, not far away, is where our garage now stands. It's difficult enough in modern days but they had to be tough people to make it through this South Dakota weather!

Grand Horned Bull and Supreme Hereford Bull, C Miles McKee 2103 ET, 1/11/12, sired by NJW 98S R117 Ribeye 88X and out of C Notice Me. The bull is owned by Curtis & Jackie Castle, Crawford, Oklahoma; Colyer Herefords, Bruneau, Idaho; Iron Lake Ranch, Athens, Texas; and Sullivan Farms, Dunlap, Iowa. See additional coverage starting on page 46.

Guy Colyer (left), Bruneau, ID and Miles McKee, professor emeritus at Kansas State University, for whom the Champion Bull is named, share their excitement after the bull was selected as Grand Champion in the horned show.

## Jill's Editorial...

(continued from page 1)

continues and as one surviving couple recently told me, "The story has moved past the blizzard. It's no longer about the loss, it's about what we've been given." In the months since the October blizzard I have stayed in touched with Riley and Jimmie Kammerer who were hit hard by the storm. I've spoken with and e-mailed Jimmie through the months, mostly checking on how they were doing. Their name came to me through mutual friends the Reinholds

at Rainbow Bible Ranch/Lonetree Ranch who were also devastated by the storm. After a recent heifer donation delivery which left the Kammerers speechless and in awe of the generosity, Jimmie told me, "it's no longer about the loss, it's about what we've been given. That's the story now...the life, the hope, the job. I hope the nation takes note."

The Kammerers have received several donations of cattle. Like others in the area, such outpourings of generosity are, at first, hard to accept. But they along with others are learning some wonderful lessons about life, faith, people and God.

Since the October storm which decimated livestock in western South Dakota over \$3 million have been raised to help ranch families who sustained large losses of cattle, sheep, horses and buffalo. Heifers for South Dakota continues to take in live donations or purchase cattle with monetary donations, and has made several greatly appreciated deliveries of heifers to ranchers in need. And private donations continue to be made as well. These rarely make the news but are making the difference in the lives of many.

Such a story of devastation to begin with has turned into a brilliant story of life, generosity of ranch families who realize the plight of those affected and are in a position to help and the gratitude of those receiving the gifts of livestock and monetary assistance not from the government but from many across the nation and the world who have been moved to give.

One gentleman who would have loved this story is Marc's Uncle Dub who recently passed away. He ranched in the affected area and although their family's losses weren't as high as others, I'm sure he would have helped out in any way he could. What a wonderful man he was. Big, rangey cowboy who was truly a gentle man with strong faith, a big heart and a love for God and life. He grew up in New Mexico during the Depression, served in World War II and returned home to ranch, moving several times during his life. He'd had some Hereford cattle during his lifetime and when we visited, Dub always had a few questions about Herefords and the cattle market. Even in his days at the nursing home he kept up with livestock news and had a good idea what was going on but truly missed his life on the ranch near Mud Butte, SD.

He was a special man and will be missed. —JBH

## – Letters to the Editors –

### Herefords from Montana donated to South Dakota Couple Hit by Storm

The day after Christmas there was a trailer load of bred heifers that left Montana to be donated to a young ranch couple. Just starting out in the cattle business, Ben and Becky Smith of New Underwood, SD, “lost about all their cows and half of their bred heifers in the early October snow storm.” They shared with us that two days after the storm when Ben was out driving around the devastation, he noticed steam coming up out of the snow piles. Ben went and checked it out and miraculously found two calves still alive and very hungry.

The following ranchers and Hereford breeders from northern and eastern Montana put the load together: Anchor Polled Herefords, Paul and Berva Hinderager, Vaughn, MT; Edward A. Olson Ranch, Ed Olson, Havre, MT; Jar Bar E Ranch, Arvid, Linda, Lorie and Jay-De Eggen, Plentywood, MT; Sparks Herefords, Tom and Carol Sparks, Plevna, MT; and Deep Creek Valley Ranch, Jeff Tauck, Hammon, MT.

Dear Editors:

I was on my way back from Pete's Tractor Salvage yesterday and picked up the Sturgis AM radio station (KBHB). I heard the Hereford ad! It was excellent in my opinion. The voice was great and the delivery just right.

Remember the two bad, deep snow winters we had in '77-78 and '78-79? I happened to be living in Sheridan, WY, at the time. I went out to the Beckton Stock Farm seminar in spring of '78 (I think). Among the speakers was Dan Scott of Padlock Ranch. The big thing

## Letters...

(continued from page 8)

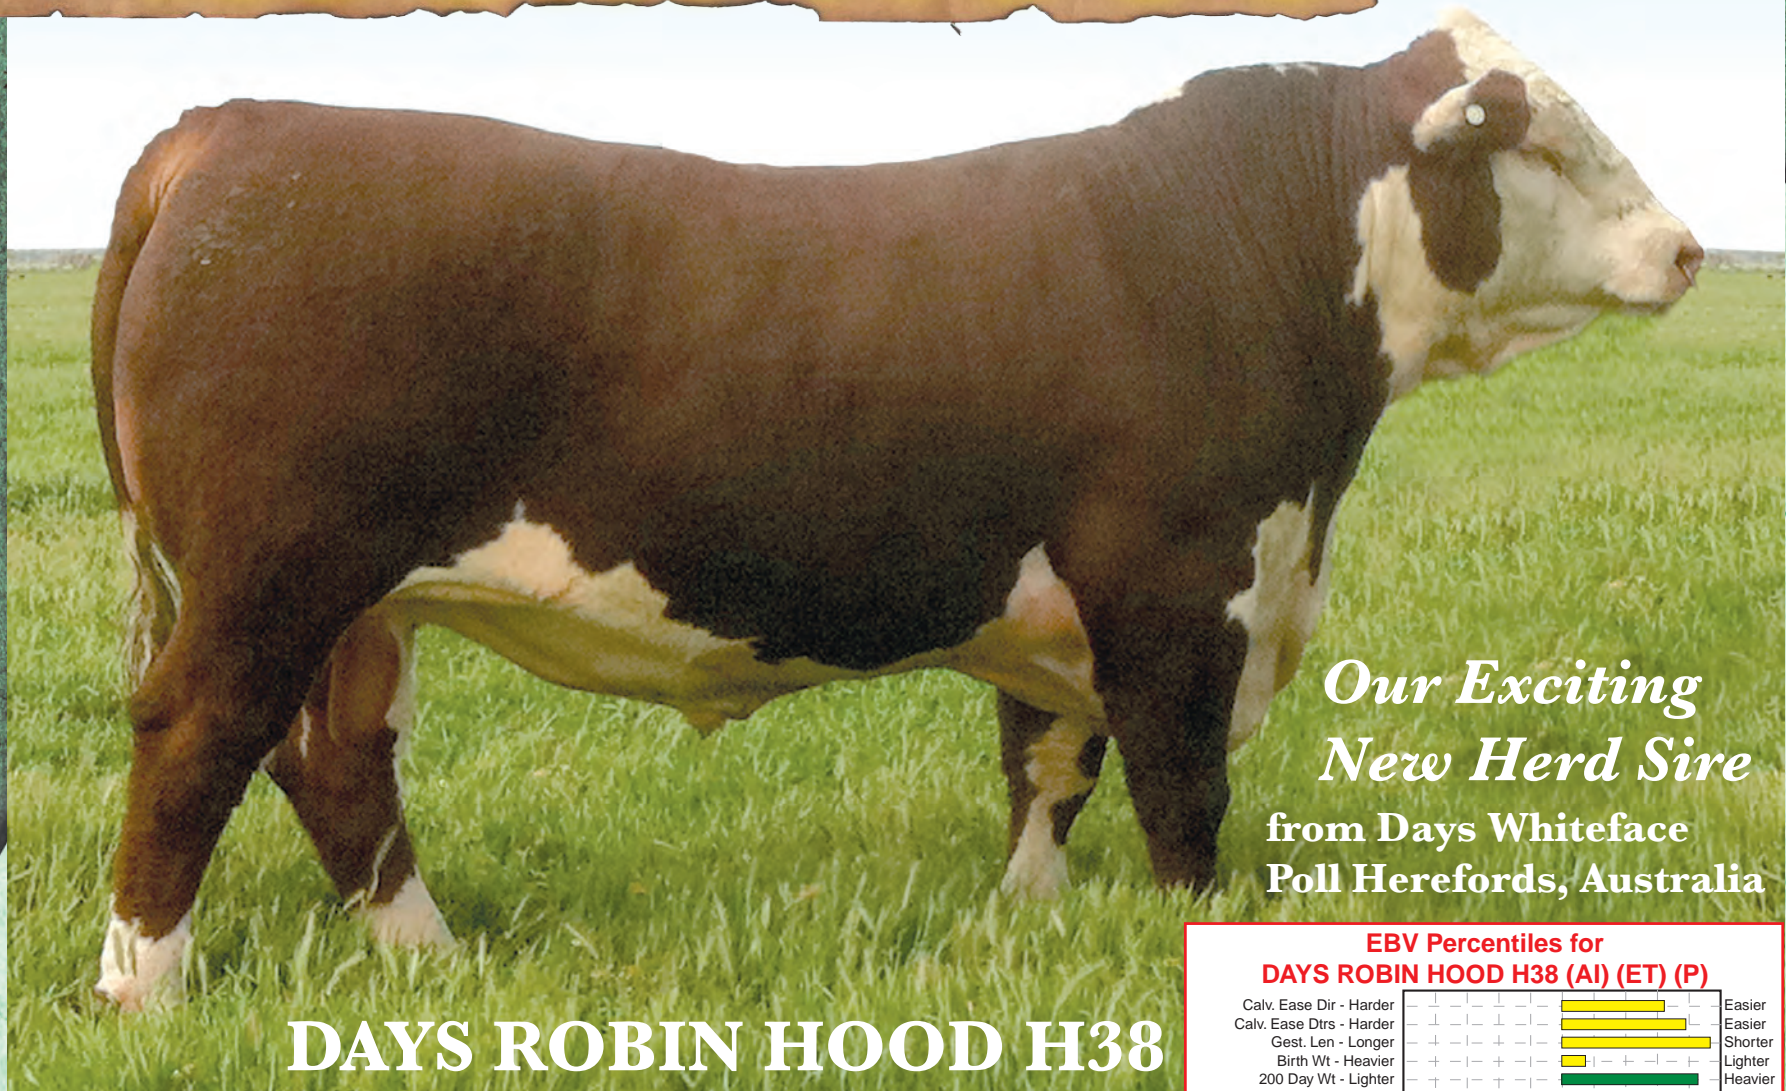

I remember from his short speech was that they had found that cattle with more dewlap fat had come through the winter better than other cows. At that time they had a winter pasture between Crow Agency and Busby, MT. They did not feed hay but depended on the wind to blow snow off of the hills and ridges. I assume they did feed hay to other bunches of cows that had in other places. The snow was just too deep and not enough wind to bare off surfaces.

If Herefords came through Storm Atlas in better shape than others, I would assume that thinking people would make a switch back to Herefords. Better a live calf the wrong color than a dead calf.

Sincerely,  
Rodney Parr  
Wyola, MT

#### W.A. (Dub) Hotchkiss

W.A. (Dub) Hotchkiss, age 88, of Mud Butte, SD died Sunday, January 12, 2014 at the Friendship Villa Care Center in Miles City, MT.

W.A. (Dub) was born at Raton, NM, on May 10th 1925, the third child of Lora (Messick) and John Samuel Hotchkiss. He grew up on the home ranch near Capulin, NM, and graduated from high school at Des Moines, NM.

Dub loved music especially the lively old hymns. He and his sister, Reta, sang together whenever the opportunity arose. The young brother and sister

duo sang in many churches and camp meetings.

Dub joined the Army in 1944 during WWII. He was stationed in Hawaii, following Pearl Harbor, training other soldiers to drive anti-aircraft tanks. During this time his mother encouraged a young lady, a close friend of his sister's, to write to this homesick soldier. When he was honorably discharged in 1946 he returned to Capulin to help his father. He soon asked his faithful pen pal if he could come calling. Romance blossomed. He and Mozelle Johnson fell in love. They were married June 4, 1948. They made their home on the home place near Capulin. Daughter, Sandy, was born in 1952. After years of drought took their toll, they sold out and moved to Nebraska to farm with Dub's parents.

Dub and Mozelle bought a ranch near Livingston, MT, in 1956. Son, Terry, joined their little family that year. Hard work was always at hand including a dairy and hundreds of chickens. Cindy, their youngest, was born in 1961. In 1966 they moved again, buying a ranch north of Big Timber, MT, where they lived until 1973. Dub longed for good grass country and no irrigation. He did some searching and found a ranch near Mud Butte, SD. They pulled up stakes and moved to South Dakota settling in for 35 years.

Through good times and bad, church was always a priority and a very important part of Dub's life and that of his family. He served on church boards and taught Sunday School wherever they lived.

Dub's deep and genuine love for God and his family characterized his life. He knew and loved his Lord Jesus and wanted others to know Him too. Dub loved raising black cattle, cutting hay, and fly fishing the streams of Montana. He loved playing with and teasing his kids and grandkids who were very special to him. They loved to hear him sing and yodel. He seldom met a stranger and if he did, they weren't strangers for long. He was dearly loved by all his family and friends and will be deeply missed. For his life and the godly legacy that he left, the family is truly thankful.

Dub is survived by his wife, Mozelle of Hathaway MT, and Mud Butte; son, Terry (Beth) Hotchkiss of Mud Butte; daughters, Sandy (Max) Blanchard of Hathaway MT, Cindy (Ken) Baumeister of Worland, WY; 8 grandchildren, Cassie, Andrea, Evie, Jamin, Wesley, Ashley, Christian, Blane; and 11 great grandchildren.

He was preceded in death by his parents; brothers, John Samuel Jr., Howard; sister, Reta Maxine (and Spence) Hall; and nephew, John Hall.

Memorials are preferred to the Rainbow Bible Ranch, 14676 Lonetree Rd., Sturgis, SD 57785 or Gideon's International.

## The Anderson Hereford Advantage

**Outstanding Cowherd** - We demand our cows work for us, not us for them. Like you, we do not have time for poor udders, poor feet, poor performance or poor dispositions. **We cull hard!**

**Value, Quality & Quantity** - We sell 55 to 65 of the top bulls out of the 370+ Registered Females we breed each year, that is only 30 -35% of the bull calves born. The Canadian Dollar is in your favor and you can buy one or several bulls without breaking the bank. **Our bulls are only offered in our Production Sale, so ALL the best are here.**

**Ranch Raised for Ranch Conditions** - We have never chased fads or lost sight of what makes the rancher money. We breed for calving ease, mothering ability, easy fleshing, soundness, fertility, longevity, natural thickness and carcass traits. **We use our eye, common sense, performance records, ultra sound and the best genetics available.**

**Sight Unseen program** - Visit with us about your needs and we guarantee the best possible bull for the best possible price. **If you don't like him we keep him.**

**Lot 77** BW 3.2 WW 52 YW 86 Milk 23 IMF .04 REA .68  
Rarely are you able to purchase a bull that both his sire and dam have been named champion at the most competitive and prestigious show in the world the "National Western" in Denver. Lot 77 is a smooth polled son of the reigning national champion "Hometown 10Y" and this will be one of the first sons to sell sired by him.

**C 8231 THRILLER 3067 ET**

**Lot 32** BW 3.9 WW 52 YW 84 Milk 22 IMF .03 REA .59  
This is a big stout powerful son of the Reserve Denver Champion "Thriller". He will be a member of our 2014 Denver pen bulls in the yards. He is a dark red well marked bull that has extra muscle shape and bone. He has a great set of EPD's and the bottom side of his pedigree is filled with some of our most maternal lines of cattle.

**C CHANEL HOMETOWN 3201 ET**

**Lot 78** BW 2.9 WW 54 YW 86 Milk 26 IMF .01 REA .72  
Two national champions stacked in his pedigree with "Hometown 10Y" and "Chanel". This has been one of our favorite bulls because of his balance and eye appeal with a great EPD profile. Tremendous spread from birth to yearling and a +1.3 scrotal EPD which puts him in the top 5% of the breed.

**C 865U Bob 3240 ET**

**Lot 85** BW 3.4 WW 52 YW 75 Milk 35 IMF .00 REA .34  
This is a solid calf that is very fault free in terms of his design. Sound structured and nice ribbed with a great set of numbers to match him. +35 for Milk puts him in the top 1% of the breed.

**C R111 UNTAPPED 3125 ET**

**Lot 54** BW 4.1 WW 56 YW 93 Milk 22 IMF .11 REA .63

**C BAR1 9161 11X 3103 ET**

**Lot 48** BW 4.4 WW 57 YW 85 Milk 27 IMF .14 REA .70

**C 105Y DOMINO R98 3242 ET**

**Lot 86** BW 2.0 WW 46 YW 80 Milk 30 IMF .17 REA .22  
This will be the first group of calves to sell by the \$160,000 Cooper bull "105Y". Lot 86 is out of "R98" who is a full sister to "R111". If you want one that should be able to transmit extra pigment and maternal quality he should do just that.

**C CJC CHANELS SENTINEL 3165 ET**

**Lot 72** BW 3.0 WW 52 YW 80 Milk 28 IMF .20 REA .51  
This is the most balanced bull in the offering from every aspect. Not only is he flawless in terms of his phenotype but he combines that with having the most ideal set of EPD's one could ask for.

**C 5027 Thriller 3056 ET**

**Lot 24** BW 3.1 WW 51 YW 83 Milk 25 IMF .03 REA .57  
If you are looking for a powerhouse herd sire with abundant weight and performance take a look here. Sired by the Reserve Denver Champion "Thriller" and his mother "5027" is dam of "Chandler" and "Earthquake".

**C CHANELS EXTRA 3204 ET**

**Lot 80** BW 3.4 WW 53 YW 76 Milk 29 IMF .06 REA .73  
This is one of the most intriguing calves in the sale because of his extra look from the side and balance. He is a 2014 pen bull prospect and one that will catch your eye. We feel with a little more time this one could be as good as we have to offer.

**C NOTICE ME NOW 3090 ET**

The Leddys have been farming and raising cattle on the same ground near Twin Brooks, SD, for over 100 years. Some of the current operation was purchased by Gene's great-grandmother in 1883. In 1910 Gene's grandfather purchased the place Gene is on today and started building barns and corrals there.

Gene's father Ralph started with Herefords in the early 1930s and Herefords have been grazing the pastures on their place southeast of Twin Brooks ever since.

Today, Gene along with Wade and Lori and their daughters Rebecca and Allison, operate Leddy's Hereford and Red Angus. The operation consists of 100 Hereford and 100 Red Angus cows which are all registered. The Red Angus were added in the early 1990s. In addition to cattle they also raise corn and alfalfa. This is a family operation and Wade and Lori's daughters are the sixth generation to work on the farm. Gene stated that every cow and heifer is AIed and that everyone in the family is around to help during that time.

The Hereford cowherd consists of Boomer, Revolution and Ribeye breeding. Bulls are marketed through their annual bull sale as well as the Watertown Winter Farm Show. Leddys have been exhibiting at that show since the late 1950s. In 2011 the show was dedicated to Gene Leddy for his years of support of the show. Gene still remains on the Hereford show committee. The Leddys have also sold at the South Dakota Excellence Sale since its beginning and have marketed a number of competitive show heifers and sale toppers. The Leddy family has also been a long time supporter of the Sioux Empire Farm Show and Black Hills Stock Show.

They have hosted numerous South Dakota Hereford Tours and Junior Field Days over the years as well. Gene has been an exhibitor at the South Dakota State Fair since 1939. The only one he has missed since then was in 1952!

As long time supporters of 4-H, the Leddy family has hosted judging schools since the 1940s. Some of the current 4-H members are the third generation to judge on their place.

They recently hosted an Accelerated Genetics tour where 45 managers from around the country, including 15 states, viewed the Leddy calves which are in large part from their AI program.

South Dakota Hereford Association Board for 2014 – Pictured are (back, left) Cindy Aman, Eureka; Nate Frederickson, St. Onge; Dick Wettlaufer, Winfred; Phil Tesch, Goodwin. Pictured in the front row (left to right) President Jeff Klages, Ortonville, MN; Vice President Jerome Ollerich, Clearfield; and Manager Phil Eggers, Sioux Falls.

A large crowd turned up for the South Dakota Hereford Banquet held in Brookings, SD in November. A very successful calf sale was held the following day. This is a wonderful Hereford event!

Auctioneer Chisum Peterson from Chamberlain, SD, not only auctioned the SD Excellence Sale but also got roped into several auctions during the SDHA Banquet. Thanks Chisum!

# Fawcett...

(continued from page 1)

business since birth. He grew up showing cattle and is still very involved with the show steers and heifers on the family ranch, Fawcett's Elm Creek Ranch in Ree Heights.

After majoring in agricultural journalism at South Dakota State University, he returned to the family operation.

He is the primary manager of the family's registered cow herd, responsible for the bred heifer development program and the breeding program, which includes AI (artificial insemination) and embryo transfer.

Daniel has an eye for the industry's elite cattle, having judged state and regional shows on the East Coast, as well

as local fairs and jackpot shows.

He and his wife, Kari, have two children: Hollis, 4, and Ivy, 2.

Keith Fawcett, Daniel's father, said Daniel is the epitome of a true Hereford herdsman.

"He is the definition of a true Hereford enthusiast," he said. "He is an asset to Fawcett's Elm Creek Ranch, as well as to the cattle industry."

Daniel said he was honored to be named the 2014 Hereford Herdsman of the Year. "I'm still trying to figure out what has happened – I'm just blown away by it all," he said. "I have many friends who have received this award in the past. It's an honor to be a part of that group."
