Jill Bayers Hotchkiss

Jill Hotchkiss

It's been a sad summer for us here at *Hereford America*. My dad, Byron Bayers, passed away on July 15 as the result of complications after a fall sorting cattle on the family ranch.

He remained active on the ranch for all of his 88 years. His final week of life began with a celebration of our family's 100 years in the Hereford business. It was a fabulous party and celebration held on July 7th. We had at least 90 family members there and many friends from the community and several Hereford breeders from other states. Dad enjoyed the day immensely as he was able to tell stories about his life, visit with friends and family and celebrate the rich Hereford history as well as his life. My brother Rich and sister Kathy helped moderate the event and my nephew Britt and I ran a slide show of historical photos. It was almost like a living memorial now that we look back on it.

The Hamilton Ranch, who now owns and has fully restored the old round barn we raised cattle in for over 70 years, allowed us to use the beautiful venue for our celebration. We thank them for all of the help and generosity they offered before, during and after the event and after dad's passing.

Dad had an incredible passion for Hereford cattle which was matched only by equal interest in sports and flying. He excelled at all of these and enjoyed them until the end.

## Byron Bayers, 1930-2018

# Remembering Hereford America's Patriarch

Byron Bayers was born in 1930 in Dillon, MT to Art and Elizabeth Bayers. He had 5 older sisters, Helen, Jeanne,

Lieutenant, helping run the base on the Canadian border. He was very patriotic and proud of his service.

the recipient of the Canadian Hereford Ambassador Award.

Many annual cattle auctions were held

Beach, Bertha and Wanda. He passed away peacefully on July 15, 2018, at the Eastern Idaho Regional Medical Clinic (EIRMC) in Idaho Falls, where he was in ICU following complications from a fall at the family ranch in Twin Bridges, MT.

He moved with the family to the current ranch site near Twin Bridges in the 1930s. There he attended school where he excelled in academics and sports, where he was a standout in track, basketball and football. Byron was also involved at an early age with his parents' purebred Hereford ranch, showing, fitting and traveling with the show cattle all over the western United States.

After high school he attended the University of Montana in Missoula. There he received a degree in business and competed in track and football until ROTC duties demanded more of his time. While there, he married his high school sweetheart, Pauline Oberg of Twin Bridges. He and Pauline were married for 62 years before her passing in 2015. Following college Byron entered the Air Force during the Korean Conflict. His original military orders were to Korea, but later changed to a radar base in Yaak, MT. There he served as a

After his Air Force service they returned to Twin Bridges and back to the ranch until his father's death in 1960. He then continued to run the ranch until his recent passing. He and Pauline raised 3 children, Rich, Kathy and Jill on the ranch.

His love for Herefords was unsurpassed. He served on the American Hereford Association (AHA) Board in the 1970s and was elected President in 1976. In 2017 he was inducted into the AHA Hall of Fame. He attended World Hereford Conferences in Canada and Uruguay and went to Hungary to act as an AHA consultant to that country in selecting Herefords. In 2009 he was

in the Old Round Barn located on the Bayers Ranch where their cattle set several price records in Montana. During these years, the Bayers Hereford Ranch sold cattle and genetic material into 38 states and 3 foreign countries. He also judged some of the major cattle shows across the country.

In 1997, he along with wife Pauline and daughter and son-in-law Jill and Marc Hotchkiss, started the publication *Hereford America* which is widely read nationwide and in seven countries.

He also became a private pilot after being passed over in the Air Force due

to less than 20/20 eyesight. His flying was a real passion for him, culminating with him flying or owning 117 different aircraft and the accumulation of over 10,000 hours of flight time. He was appointed to the Montana Aeronautics Board for several years and was presented with the Pilot of the Year award for 2005-2006. He also received the Wright Brothers Master Pilot award from the Federal Aviation Administration in 2005.

Other hobbies included following his beloved UM Grizzlies, local high school and national sports. He attended many Twin Bridges High School basketball tournaments in recent years and was a mainstay in the stands or on the sidelines for his children's events. He also coached many Little League, High School and softball teams. He still attended high school football games and had a special parking place on the side lines, where he could park his pickup and sit in a chair in the bed of his pickup. Thanks to TBHS for letting him do this!

Byron was also very interested in visiting with all types of people about all subjects, was very well read and always made time for people. His community and county were very important to him. He was on many local boards and was a Madison County commissioner for several years. He served 3 terms on the local school board as well. These were sometimes thankless, stressful duties but he always listened to people's concerns, often with phone calls early and late in the day.

He will be sorely missed by his family, friends and community, but his

good work lives on. The family wants to thank all who have sent condolences and will have a private family funeral. Most friends and family had just celebrated the ranch's 100th year anniversary and family reunion at the Round Barn the week before his passing. Please remember him as he was there – vibrant, visiting with everybody and sharing his proud family history.

He is survived by his 3 children, Rich (Mary Ann) Bayers of Buffalo, WY; Kathy Bayers of Bozeman, MT; Jill (Marc Hotchkiss) of Reva, SD, two grandchildren, Britt (Blair) Bayers and

## Jill's Editorial...

(continued from page 1)

His dedication to the Hereford breed and its progress was evidenced by his tireless work through the years. His lifelong passion for Herefords was unsurpassed and he handed that legacy down to my siblings, Kathy and Rich, and me. He was an incredible judge of cattle and taught us well in that regard. We are honored to carry on the knowledge and tradition.

My time with Dad assessing cattle at sales was particularly enjoyable for both of us. We'd bounce ideas and observations off of each other, keep looking, then meet back in the sale barn. At one particular sale, we often bid against each other, year after year. I usually would warn him I was bidding for someone else but that never phased him and it didn't stop the bidding competition between the two of us.

It wasn't until later in his life he had

the confidence to turn me loose bidding on a herd bull for him. He had picked out a few bulls on paper at a particular sale, then had me look them over for him and report back. At this point, the pressure was really on and anyone who has dealt with him on cattle knows why.

I studied and studied and finally had

## Jill's Editorial...

(continued from page 4)

to tell him I just didn't like two of them he had chosen. Of course those were the top two on his list! I did, however, like the looks of another bull so I suggested he study his records a bit more. After a thorough discussion, Dad finally gave me the go ahead and enough money to bid on the bull. Fortunately I didn't have a lot of bidding competition that day and was able to buy him under-budget. With quite a bit of relief that I'd been able to get all this accomplished, a well-respected fellow newspaper publisher commented on the quality of the bull I'd bought, so I felt better, but knew the pressure was back on. I waited about a month for the bull to be delivered and hear if dad liked him. Of course he kept building it up and giving me a bad time, to which my response was, "if you don't like him, I will buy him from you." But low and behold

the bull passed the visual test with flying colors. It was a milestone for us and even more so when the calves arrived and he liked them, too. Such simple things and simple memories but pleasant ones that will stay with me.

Dad will be remembered for a lot of things — his accomplishments, cattle, airplanes, sports but more so for his hearty laugh, sense of humor, generosity, sharp wit, sharp mind, excellent judge of cattle and art of a good deal. He enjoyed talking cattle and had several close friends with whom he had lengthy conversations about the latest issues, EPDs, politics and their latest calf crop. He would engage anyone who wanted to visit. Particularly humorous was the ongoing bet on the Cat-Grizzly (Montana State University vs. University of Montana) games with a very well-known auctioneer who was always good for a joke or two from the back if dad was in the audience.

Twenty-two years ago Marc and I started this newspaper with he and mom. The newspaper became a passion for Dad and it was a wonderful outlet for his writing skills and opinions. He certainly didn't shy away from the issues.

In the early years of the paper we had some wonderful trips together, some flying, some driving but going long distances. Marc, Dad and several other people had some momentous trips to Canada back in the Alberta Hereford heydays. Several of the travel companions on those trips were Jerry and

Byron's great-granddaughter, Mia, making her assessment.

A lifelong accomplishment and highlight of his life was Byron's induction into the American Hereford Hall of Fame last fall.

Harlan Rausch, Orville Beyea, Larry Stangle, Paul Hinderager, Doug Finseth and a few others I've probably missed. On several other trips to Canada they met up with Ken and John Baker and couple Wyoming breeders. Several Idaho trips included a few other friends including Dave Stenberg, Mark Ehlke and Fred McMurtry. Lots of great memories. I don't think he ever traveled with Billy Ashe but their frequent phone conversations might have made it seem as though they did. Thank you to all of you who were his close friends and supporters.

Tremendous thanks as well to our friends Lynn Terry and her husband Rick. Lynn worked for Dad the last 9 years and she and Rick were great friends to him. We call Lynn the operations manager and she is that and a whole lot more! Lynn continues to keep things going for

us at the ranch.

Many thanks as well to Lony Shaw who runs the commercial herd and assisted Dad in many projects. Huge thanks as well to the crew at Hamilton Ranch, especially Jamie and Lacey Wood.

I would also like to thank family, friends, the Hereford community and the community of Twin Bridges for the outpouring of love and concern these last couple of months. It is comforting to know he was loved and admired so much. I hope he has made a positive difference in your lives as he has in our family's. We were blessed to have him in our lives and will miss him so much.

My brother wrote a very touching final tribute to my dad and it is included here on the front page.

Life will never be the same, but the show must go on. Farewell Dad!

The 2018 edition of this female offering will open with one that truly has a pedigree and look that makes her one of the most elite females to sell. This mating produced National Champion Polled Bull in Denver 2017 "Double Your Miles" who also has some exciting prospects in this auction. Sisters to this mating have topped this sale and went on to be some of the very best uddered, young donors available. This female has all the extras with added performance and extra pigment and look. We feel she is a great one with a track record to prove it.

 Here is the first daughter that we will sell sired by the Denver Supreme Champion, "Belle Air." This one has a tradition of winning cattle behind her pedigree by the three time National Champion female "Candy Cane." She has a great look through her front third and with extra style and balance.

 I'm not sure anyone could come up with the words to do this one justice. She is a must see to believe. Her pedigree alone will spark the interest but her design and build will make you "all in" on this one. Powerful made from the ground up with foot, bone and elite body mass that her sire "Double Your Miles" is making a trademark. Bailee daughters are not available in high quantity, especially one made like this.

# Final Farewell

## Bob Goggins

Robert B. Goggins, 94, of Ennis, passed away on July 9, 2018. Born in Brooks, Montana, on May 28, 1924, Bob was the third of John and Pearl

Bob Goggins

Cook Goggins' seven children. He and his five brothers and one sister grew up in the Clark's Fork Valley near Fromberg, and stories of the

antics of the Goggins boys are still told today.

After graduating from Fromberg High School in 1942, Bob worked a variety of farming and ranching related jobs. One of those was for an apiary that sent him to the Harlowton area to work bees. A cute redhead named Cora Amdor working at the local soda fountain caught his eye. He asked her for a date the day after she graduated from high school and they were married that fall on October 30, 1946. This began an epic adventure that spanned the next 71-plus years.

Bob and Cora worked for several prominent Hereford breeders where Bob was the herdsman. His keen eye for cattle and stockmanship skills ensured his show strings were always top of the line. He and Cora bought their first registered Herefords in 1955 and bought the home ranch in Ennis in 1959. Through the years, he raised high quality Hereford cattle, selling bulls into all the Western states. He also judged many state and national Hereford shows and was president of the Montana Hereford Association for two terms. His name was synonymous with honesty and integrity.

Bob grew up in a time when you couldn't just go buy new machinery or parts and he had an inventive mind and a skill for making things work even better than their original design. His creativity even led to him owning a patent for one of his inventions. He was an incredibly progressive cattleman and was an early adopter of new technologies in the beef cattle industry.

In addition to ranching, Bob owned the Cibola 8 mining company and enjoyed gold mining in the North Meadow Creek area. He served on the Ennis Rodeo Association board as well as the Farm Service Agency board. Bob was well known for his keen wit, faith, and unfailing optimism.

Family was of utmost importance to Bob and Cora, and they raised their children to work hard, making work on the ranch fun. Bob enjoyed life and will be greatly missed by his family which

include his wife of 71-plus years Cora, children Betty Goggins, Bob (Terri) Goggins, Janet Endecott, Jim (Shelly) Goggins, and Pat (Michelle) Goggins, grandchildren Coralee (Chad) Butterfield, Rachel Endecott, and Coy (Valene) Goggins, great-grandchildren Aaron and Marlee Butterfield, sisters-in-law Babe Goggins, Millie Goggins, Sue (Gary Foust), and Alice (Don) Crum, and brothers-in-law George Ellinghouse and Bill Amdor.

We would all be well served to live by Bob's motto of "make definite plans but keep them flexible."

Donations in Bob's name can be

made to Madison Valley Medical Center, PO Box 993, Ennis, Montana 59729 or to Saint Patrick Church, Madison County Catholic Community, PO Box 17, Sheridan, Montana 59749.

### Smith "Smitty" Leroy Cox

Smith "Smitty" Cox, 75, of Jefferson, OR, passed away on July 30, 2018.

Smitty Cox

Smitty was born on June 6, 1943 in Lebanon, OR, to Delbert "Mike" and Louise (Looney) Cox. He grew up on the family farm

just east of Albany, OR. Smitty attended Clover Ridge School and Albany High School, where he was involved in 4-H and FFA and had a flock of 350 ewes. During those years he showed his lambs at Scio Lamb Show, Linn County Fair, Oregon State Fair, Or-

egon Wheat League, and Pacific International in Portland. He graduated in 1962. Smitty married Lelean Miller in 1963 and they had two sons, Brad and Wade, before later divorcing.

His ancestors came west on the first wagon train to traverse the Oregon Trail and settled in the Willamette Valley in 1843. He was proud of his pioneer heritage, was sixth generation on the land, and lived on the ranch located north of Jefferson since 1966.

Smitty began his career working with sheep and cattle with his parents. In 1972, Smitty was instrumental in bringing purebred Hereford bulls from Canada to the United States. Smitty worked at the Portland Union Stockyards in 1975 and operated a buying station where he worked with sheep producers from all over the Pacific Northwest. In 1985, he established a sheep receiving station on the family farm in Jefferson. He purchased all classes and breeds of sheep throughout the Northwest.

Smitty met his long-time love, Teresa Barber, in 1995 at the Oregon Sheep Growers 100 Anniversary convention. They spent the last 22 years raising and showing purebred Hereford cattle, and exhibited at many shows around the country. He owned cattle in Canada and continued to maintain those connections and friendships with several Canadian Hereford breeders.

A highlight of his years raising Herefords was attending the World Hereford

Conference in Calgary in 2012 and attending the Stampede. Smitty and Teresa thoroughly enjoyed mentoring and advising youth in the livestock industry, as well as their own grandchildren. Smitty was a member of Oregon Hereford Association, American Hereford Association, and Oregon Sheep Growers Association.

Smitty was a loving man who touched the lives of so many, including extended family.

He is survived by his love, Teresa Barber; sons, Brad (Buckley) of Eagle Point, Wade (Danelle) of Albany; sister, Kay (Bob) Cowan Thompson of John Day; and grandchildren who will miss him dearly.

He was preceded in death by his parents; and his sister, Jeri (Cox) Nicholson.

Memorial contributions may be made to Oregon Hereford Association, in memory of Smith Cox, to PO Box 137, Crabtree, OR 97335.

## Van Newkirk Herefords Honored By Beef Improvement Federation with Top Honors

LOVELAND, CO – The Beef Improvement Federation (BIF) presented Van Newkirk Herefords, Oshkosh, NE, the BIF Seedstock Producer of the Year Award June 22 during the group's annual meeting and symposium in Loveland, Colorado. This national award is presented annually to a producer to recognize their dedication to improving the beef industry at the seedstock level.

Van Newkirk Herefords is a family-owned ranching operation dating back to 1892, when Lorenzo Van Newkirk started mating Hereford bulls to his Longhorn cows. In 1942, A.J. (Bud) Van Newkirk started the operations registered Hereford herd.

Today, the ranch is operated by the third and fourth generations. Joe and his wife, Cyndi; son, Kolby and wife, Meg, and grandsons, Barrett and Sloan; son, Nick; and daughter, Sara; along with longtime hired man Travis Kezar are passionate about breeding quality Hereford genetics.

The ranch's herd has grown from the original five registered cows to 600 registered cows today. Center pivots and efficient use of surface irrigation have been utilized, making it possible for the Van Newkirks to produce 90% of their winter feed supply. Summer grazing is on native Sandhills pasture.

The Van Newkirk family is committed to gathering accurate, timely performance data. For more than 45 years, performance testing has been a high priority, and continues to evolve with technology. Individual weighing of calves started in 1969, and in the 1980s they began collecting ultrasound data. Since the 1980s, cull heifers and steers have been fed out and feedlot and carcass data gathered. In the 1990s, they implemented genetic testing.

The Van Newkirk family is passionate about improving Hereford genetics and strive to strengthen the beef industry by offering superior genetics, utilizing sustainable management practices and being good environmental stewards.

The Van Newkirks will host their 46th annual sale on January 21, 2019, selling 210 bulls and 260 heifers. Demand has grown over the years, and the Van Newkirks attribute the success of their operation to repeat customers.

Van Newkirk Herefords, Oshkosh, NE, was named the 2018 Beef Improvement Federation Seedstock Producer of the Year during an awards ceremony June 22 in Loveland, CO. Pictured are (from left) Steve May, BEEF magazine, award sponsor; Sara, Kolby, Joe and Cyndi Van Newkirk; and Donnell Brown, 2017-2018 BIF president.

# Western Livestock Journal's Pete Crow Receives Beef Improvement Federation Ambassador Award

LOVELAND, CO – The Beef Improvement Federation (BIF) presented Pete Crow, Greenwood Village, Colorado, the BIF Ambassador Award June 21 during the group's annual meeting and symposium in Loveland, Colorado. This award is given annually by BIF to a member of the media for his or her efforts in spreading the news of BIF and its principles to a larger audience.

Pete is the third generation of publishers to take the reins of the family business, Crow Publications, which was founded by his grandfather, Nelson Crow, in 1922. Their longest running publication, the Western Livestock Journal (WLJ), boasts 96 years.

Published weekly, the Crow family's goal for WLJ is to provide ranchers the tools they need to do their business better with news that is concise, timely and relevant. WLJ offers breaking livestock market reports, the latest research on animal health, innovative management techniques and strategies, new findings on forage and range management, and seedstock market reports.

Pete has followed in his family's tradition of making the WLJ the western rancher's source for new ideas. Under his leadership, the paper has included more coverage of emerging technologies in breeding and genetics, special

issues focused on artificial insemination and new equipment being developed, and semi-annual magazines dedicated to the unique concerns of both the purebred and commercial elements of the cattle industry.

"We're a business publication; we're here to help people do business better," Pete says.

He was recognized with the Nation-

al Cattlemen's Beef Association 2011 Excellence in Agricultural Journalism Award. Pete and his father, Dick, were awarded the Livestock Publications Council's Hall of Fame Award in 2015.

More than 600 beef producers, academia and industry representatives were in attendance at the organization's 50th annual convention. BIF's mission is to help improve the industry

by promoting greater acceptance of beef cattle performance evaluation.

For more information about this year's symposium, including additional award winners and coverage of the meeting and tours, visit BIF-conference.com. For more information about BIF, visit Beefimprovement.org.

The Best Hereford Beef Can Now Be Found Local

Each week, we buy corn fed finished cattle primarily in this region. However, we reach beyond the strike zone to find the best Herefords wherever they might be fed in the Midwest. Even after we’ve concluded our normal weekly trade, we are never too full for Herefords and Baldies. We are always in the market to buy finished Herefords and we offer a \$25 premium per head for Hereford program qualifiers. If you’d like your finished calves in our Hereford program, we can introduce you to partner feed yards who custom feed or who buy Hereford and Baldie calves. Whether you want to market your feeder calves or retain ownership, let us help you direct your load lot Hereford influenced feeder cattle into our primary trade area.

## Johnson Named 2018 Junior Hereford Advisor of the Year

KANSAS CITY, Mo. — Jeanne Johnson, Centerville, S.D., was honored as the 2018 Advisor of the Year, July 5, during the VitaFerm Junior National Hereford Expo (JNHE) in Grand Island, Neb.

Johnson has been the adviser for the South Dakota Junior Hereford Association since 2012 and also manages the South Dakota Hereford Association. Her dual leadership roles allow her to serve as a link between the junior and adult associations.

Johnson is recognized for her diligence in keeping all junior members and their families informed on news, activities and deadlines. She promotes participation from the entire membership and encourages junior board members to be active and visible at state functions. As stated in Johnson’s nomination letter, “Jeanne Johnson has done everything in her power to help me and others be as successful as we possibly can. Whether it be making sure we are signed up for contests or lining up a fitting team for us at both the state and national levels, she never does anything halfway.”

In addition to her duties as the junior adviser, Johnson coordinates the South Dakota Field Day around the state, organizes junior fitting teams to compete at the South Dakota State Fair (SDSF) and JNHE, oversees the junior Hereford show at the SDSF, compiles the junior association newsletter and fundraises for all junior activities.

Her nomination letter concludes with, “We always know we are getting the best opportunities because she wants to see us succeed. I can’t thank her enough for all the countless hours and dedication she puts in to ensure the juniors can excel in everything we do.” Johnson strives to provide a network for new and experienced families to interact and help each other succeed and is grateful her efforts are appreciated.

“Just because you’re a parent to two kids doesn’t mean you’re not a parent to all of them,” Johnson says. “It is very humbling that people recognize everything you’re doing.”

# Personalities At Junior National Hereford Expo

JNHE, July 1-7, 2018, Grand Island, NE By B. Lynn Gordon

It was only fitting that on July 4th, juniors from all over America competed in the largest showmanship contest for any junior breed association in the nation and they ended the long day watching an impressive fireworks show put on by the city of Grand Island.

South Dakota Hereford Association took the reins as the host state for the 2018 JNHE, held July 1-7 in Grand Island, NE. Ryan Ollerich, Clear Lake, SD served as the chairperson of the committee and SDHA Managers Mark and Jeanne Johnson, Centerville, SD were the main line of communication statewide.

More SDHA volunteers serving on the planning committee were (back row l to r); Troy and Shannon Rasmussen Elkton; Jayna Frederickson, Spearfish; Becky and Michael Blume, Pierre, and not wanting to miss the photo opportunity were, Tyler and Shaedan Rasmussen and Rett Blume.

Wyoming Junior Member Saige Ward, Laramie gets her heifers attention during showmanship.

Long-time Nebraska Hereford Breeders, Morgan Ranch of Burwell, NE have exhibited at many junior nationals and were back again with the whole family to support the third generation who were showing. L to r Ronnie, Pat, Kay, and Roger Morgan, and Carrie (Morgan) Ourada and husband Cam.

In a very deep show steer, Minnesota's Taylor Lacek, Canby, MN came out on top as her steer's data topped all steers to be named Champion Carcass, from ultrasound data.

Sampling the tailgate food after a long day of showing was Mallory Carlson, Murdock, MN; Halle Walsh, Benson, MN and Trevor Johnson, Centerville, SD.

SDJHA Advisors Reese and Elly Jo Wagner, Redfield, SD assisted with the planning of the 2018 JNHE on behalf of South Dakota Hereford families and juniors.

Proudly displaying the Canadian flag, first-time JNHE exhibitor all the way from McNab Baeside, Ontario, was Katie Cox who showed a fall heifer.

All smiles were Reagan Bischoff, Huron and Jacelyn Wagner, Redfield, as these two young South Dakota girls were selected to be Junior Princesses and join Wisconsin Queen Brittany Wrenn and Missouri Queen, Jessica Huff hand out ribbons and prizes.

It was an exciting show for Beau Ann Graves, Chillicothe, MO as she went on to win Champion Pee Wee Showmanship and she worked hard to keep that head up on her heifer.

Checking it all out – Pee Wee Showmanship Contestant Haxton Hoffman, Thedford, NE., wanted to make sure everything was right with his heifer.

North Central Region, AHA Field Rep Levi Landers lined up the classes and called for entries during the week.

Brooke Jensen, Courtland, KS, giving her retiring address as NJHA Vice-Chair.

Seward, NE natives and long-time JNHA members Dave and Mark Allan were back with their families exhibiting. Dave's family now lives in Schuellerberg, TX and Mark's family lives at Sioux Center, IA.

Some SDJHA members took some time away from their cattle to help pack welcome bags and prizes to be given out during the week.

Jay and Marsha Middleswarth, Torrington, WY were not off to the golf course but found the best way to get around the fairgrounds and a comfortable seat.

Going out on Top. The McKay family of Marysville, KS (Linda, Bailey and Grant) had an exciting junior national. The Grand Champion Steer was bred by McKay's and out of a bull they bred-and-owned, and exhibited by a Kansas Junior Rylie Meinhardt, and Bailey completed her term as a NJHA Board Member.

Teamwork, and families working together are common sites in the barns. Hannah and Jackson Neil, start to prepare their steer for the show. Hannah is also MN Hereford Queen for 2018.

Montana Lawrence, Princeton, MN was selected to be one of the 5 new NJHA Board Members. Lawrence competed against 13 other juniors.

Hungry for some great beef, the Texas tailgate was a hit with their steak fajitas.

Great supports of the JNHE, the Hereford Woman continually promote Herefords and work to raise money for juniors. Pictured are Sandra Ostegard, OH; Amy Green Tayler, WV; and Sharon King, MS.

Doing their part as host state, volunteers from South Dakota worked hard before the show even started getting the show ring in perfect shape for the big week ahead.

Lex Larson, Valentine, NE found the many hours of preparing his heifer went faster if he listened to some music.

South Dakota Hereford Queen, Camryn Houselog, Estelline was all smiles representing her state and congratulating all the participants.

One of the many competitive classes presented to the judges, this one was during the bred- and-owned show.

All smiles was Devon Clark, Clear Lake, SD and Chesney Effling, Highmore, SD after both winning reserve in their divisions during the Bred & Owned Heifer Show.

All making their first trip to a Junior National were North Dakota juniors, Zane Lodeon, Westhope; and Bridget and Brooke Kunz, New Salem.

Travelling over 1,300 miles to the Grand Island Station, Maryland Junior Hereford members were excited for this year's them and built a make shift station that provided Maryland food treats all week for any exhibitors and guests.
